In the face of less than ideal weather our members have been enjoying our numerous club sponsored events. Despite the rain, wind and fog our racing contingent has been very active with excellent participation on the evening and weekend races and our cruisers have been out on the Bay. I understand from our Fleet Captain that at least three boats having attended seven rendezvous. Now that is dedication!

The long awaited summer weather has now finally arrived and we have great events scheduled to take advantage of it. Our annual cruise leaves this Friday and I have been working hard to get **WINDQUEST** ready. It really is amazing how a piece of equipment working one day just stops the next! We look forward to cruising up to the Vineyard with the club and revisiting some of the best cruising destinations in the world. It looks like at least 8 boats will be making the cruise. If you are not joining us this year put it on the calendar for next summer.

Upon our return we will be sure not to miss the famous Champagne breakfast at Great River on Sunday August 6th. We have seen 40 plus boats at this event in recent years. Every club boat that participates gets a free bottle of champagne and Mimosas are in order. With a little luck we will get volunteers to make breakfast for everyone! **WINDQUEST** served over 150 pancakes last year helping **Kariana**, who did the major cooking effort serving eggs, bacon and a lot more. A great time was had by all.

The Champagne Breakfast follows the West Island Race held on the preceding Saturday. This is a fun and challenging race where you can go either clockwise or counter-clockwise around the course. It was first held in 1951 the year the SBCC was founded. After much calculation I usually chose the wrong (slow) way! A Corinthian start is included so you do not have to be a "racer" to participate. Let's get more of our

From the Regatta Captain

Aileen Eppig

Greetings,

It's time to think about the GSBYRA 100th Anniversary Race Week at Sayville. It is July 27- 30 2006. The Notice of Race is included in this issue. You must register for this event and indicate if you are attending the big party on Saturday July 29. Everyone from racers to cruisers to Opti sailors to PHRF and any who would like to be part of this event should go.

The West Cup along with Unqua Yacht Club is Friday evening July 14 with awards back at Unqua. This has always been a very nice event. Come out and race.

The Commodore's Cup the 3rd Race in the Championship Series is Saturday, July 22, in Nicoll Bay. This is a great race with deep water and certainly different courses and a great opportunity to get your boat out to the Sayville area.

In June we had a number of good races. As I had hoped we had six spinnaker boats in the Babylon Cup and five non spinnaker boats. Nice. The twilight as always are well attended and fun.

Aileen 🏆

Scoring & Handicap

Members have inquired whether the two anchor requirement in the cruise adjustment guideline means that anchors mounted on bow rollers should be left in place, attached to rode while racing. There is nothing written or implied in the handicap regulations, as to where anchors should be carried. Skippers should carry the anchors wherever they feel is best.

Pump Out Update

A reminder - the pump out initiative committee has established a Yahoo group for the purpose of sharing information among SBCC members and other boaters on the status of the existing pump out facilities on the bay and over our cruising grounds: "Pumpoutfacilitystatus". If you'd like to join the group or know of any other boater who would like to join - either visit the group site (via www.groups.yahoo.com) or send an e-mail to jebecker@optonline.net.

Well, it looks like we will be heading out Fire Island Inlet this weekend with close to ten boats! We'll be heading up to Martha's Vineyard and back over a two week period. I hope everyone is taking advantage of the weekly rendezvous' to meet old friends and meet new people. Just this past Saturday Kathleen Simmons was commenting about how blessed we are to be able to have boats and enjoy the water.

We heard from Dennis Krug out on Block Island, and from Gaspare Messina in Lake Montauk. Both had some nuggets of wisdom regarding local knowledge. Dennis reported that there has been some shoaling in the ocean approaching Shinnecock Inlet. The Coast Guard has put in a new set of buoys, Green 1 and Red 2, between the approach from the MOA mid-channel buoy one mile out, and the entrance to the Inlet. The set of buoys is west, towards the west jetty.

Gaspare reported that he and Laurie aboard *Laurie Jean* attempted to go to Cormorant Point on the Inside with the Levitskys aboard *Lady Barbara*. However, they were in Moriches Bay at high tide, and were unable to cross a sand bar at the buoy just off the Moriches Coast Guard Station. They came back and were able to go out Moriches Inlet, after first discussing the inlet's conditions with some local fishermen.

Well, I have to get back to preparing for cruise. Get out there and catch some wind.....
.....because it's all about sailing!

One Week Cruise

Della Bucher & Nancy Sherman

We hope many of you will join us from August 13th through August 19th for the "ONE WEEK CRUISE ON THE BAY." We're hoping to have two fun races to our next destinations and the wonderfully wacky games on the beach. There will be other surprise events too! Sally and Bill Eilbeck will once again do the Bar-b-que picnic at Atlantique Marina**. Final plans will be given to each boat after the blast Sunday morning on the lawn at Snapper Inn. We are both looking forward to your joining us for one GREAT week on the bay, BUT if you can't come out for the whole week at least join in for a few special days anytime during the week. We look forward to seeing you for this wonderful annual event.

**If you can't join the cruise and would like to join the group for hamburger, hot dogs, corn on the cob and baked beans at Atlantique on Tuesday, August 15 at 1600, please contact us to be sure there's enough food. Della's phone # is 539-2707 and Nancy's is 665-7585

GSBYRA

John Davis

One of the greatest annual traditions in sailing on the bay is about to begin. Our good friends at Sayville Yacht Club will be hosting Race Week beginning on Thursday evening, July 27 and finishing on Sunday, July 30. Whether you are going to participate in the racing or not, you are invited to join us for a delicious steak and chicken barbeque dinner as we celebrate the GSBYRA Centennial with an exciting evening of music, dancing, raffles, door prizes, and more.

For tickets, please contact John Davis at Jdavisfly@aol.com or (631) 422- 2242.

Saturday, July 29, the party begins at 5:30. Sailors, non-sailors, family members, and past sailors are all encouraged to be there as we celebrate this special year. If you would like to sail in Race Week this year, we have room for several boats close to the action thanks to the hospitality of Bob & Carole Sheppard and Lee & Margaret Christiansen. If you want to combine fun with sailing, this is the time to do it. Please contact Regatta Captain, Aileen Eppig or your GSBYRA Delegate, John Davis for details. Racing schedule, sailing instructions, and registration form can be found at gsbyra.org

Racers must complete a Registration Form which can be submitted to the committee boat prior to the start time on Thursday and Friday evenings and Saturday morning. A registration fee of \$35.00 (\$30.00 for US Sailing Members) will be charged for each yacht competing to cover costs.

Hospitality

Flori Grottoli

On August 12, 2006 park your car or dock your dinghy at Vanderbilt's Wharf and join the Blast...the SBCC's summer extravaganza. Under the white tents that overlook Great River, enjoy good food, good music and the company of good friends.

The menu will allow you to choose from either steak and shrimp, chicken and shrimp, or steak and chicken accompanied by various side dishes and salads. Complimentary beer and soda will be available and there will a cash bar for mixed drinks. As always, desserts will be home made and provided by our very own SBCC members (ANY VOLUNTEERS?).

All dinners are \$25 per person with free hot dogs and chips for children under 12, dinners must be reserved in advance by calling me at 587-2078. As always, a reservation is a commitment.

Walk-ins will be charged \$30.00 at the door and may not have a choice of dinner.

See you on the Bay

cruising boats out for this. That evening a rendezvous is scheduled in Great River after the race where everyone can unwind and tell “war stories”. It would be great to see a lot of the racing boats come back to the river for the rendezvous.

The next weekend hosts our largest party of the year which is simply known as the “Blast”. This year the Blast will be held at Vanderbilt’s Wharf at Great River. Plan to come by boat and dink over to the party and enjoy after Blast parties onboard. The Hospitality committee has been hard at work on this event which is always popular. The next day is the beginning of the One Week Bay Cruise hosted by *della.com* and *Miss Liberty II*. Check out the cruise schedule and join us for all or part of the cruise.

While all this “cruising” is going on our racing members are active with numerous events including the Great South Bay Yacht Racing Association Race Week beginning on July 28th at Sayville Yacht Club. A dinner will be held on Saturday featuring music, door prizes and raffles. This is the 100th anniversary of GSBYA and a number of special events are planned. The SBCC is one of 16 clubs that comprise the GSBYRA; I urge all of our club members to participate.

The key to enjoying the SBCC is simple, participation. While we have a large and strong core of members who are actively out cruising and racing there are members that we rarely see. If you have not been enjoying our SBCC events, please make a resolution to come join us soon.

Flotsam & Jetsam

The Editor

Our club has some very talented photographers. You’ve all seen the fine work of Bob Bennett, Mike Duffy & Harry Manko on these pages. Joe Dudek recently submitted two photos to be exhibited at the 5th Annual Fire Island Lighthouse Art Show - both were sold in the first hour of the opening reception. If you’d like to see some of Joe’s work, just look at the back cover of your 2006 Yearbook.

Sean O’Grady’s 37’ two-masted collapsible Chinese Junk is one of the most ingenious crafts I’ve ever experienced. Designed, built and sailed by a native of Saipan, *Whan to Gho* is inflatable, sleeps five, has telescoping/tapered masts for easy storage and towing, and is easily driven by a 9.9 long-shaft outboard. I heard about this boat from a friend who reps for marine wholesalers and had to see this incredible design. I knew Tom would appreciate the inflatable, pollution-free head arrangement and the ability to store the deflated craft in a nine-foot dinghy. Inflation can take up to a half hour, but Sean admits to having done it in 22 minutes. Because she does not point well, the O’Grady’s don’t plan to race *Whan to Gho*, but they will go to the Sore Thumb to go on the two-week cruise.

Sean and Yoko met in Yokohama where Sean worked and, did a lot of top-notch one-design sailing. It was while he was racing that he met the designer of the boat, Yoko’s father.
