SOUTH BAY CRUISING CLUB

June 2025

FROM THE HELM

Scott Gesele commodore@sbccsail.org

After much anticipation, we held our annual Commissioning Day party at the Bay Shore Yacht Club this past Saturday to officially begin SBCC's 2025 season. Although originally forecasted to be questionable, the weather was almost perfect. We just had to endure a few light sprinkles and some distant thunder during the ceremony. Before blessing our fleet for the season, our Fleet Chaplain, Duncan Burns, began by remembering the club members we lost over the past year. We owe a thank you to our host, Christine Smith, hospitality chairs Farley Nache-min and Susan Moran, and the rest of the Hospitality committee for planning and executing another memorable event for the strong turn-out. Food and refreshments were aplenty and the Ship's Store was open for business; thanks Glenn! We also thank the Bay Shore Yacht Club and their Commodore, Rhianna Quinn Roddy, for again allowing us the use of their clubhouse for our opening ceremonies. It is such a beautiful location on the bay and their stewards were very helpful.

Regatta kicked off their season with the Spring Race to Atlantique. This was followed by the first Tuesday night BSIR race on May 27. *Haven* didn't race, but we served as race committee as *Naughty Dog* took the first place spot! It's not too late to get your PHRF rating and join the excitement on Tuesday nights for a friendly race and post-race get together at Coastal Yacht & Marine, aka "Cooks" in Bay Shore.

The rendezvous season is now in full force. After four successful rendezvous, some a little cooler in temperature than others, we look forward to our annual New Member rendezvous in Bellport this coming weekend. It will be hosted by our Welcoming Committee, Sandy Carlberg and Michele Jaeger. This is one of our few rendezvous that can be attended by land, so consider coming out as we welcome our new mem-

bers into SBCC!

I hope everyone has either finished their yearly boat projects and are ready for the season, or are very close to finalizing their 2025 preparations. *Haven* is ready as we anticipate the Two-Week Cruise. Wendy and I are looking forward to getting back out on the ocean with the rest of our fleet, led by Joe Werkmeister, when we set sail for Narraganset Bay. For the rest of our members on that cruise, the clock is ticking, so get your projects and preparation completed... we cast off in just over a month!

With Commissioning Day behind us, it's now time to proudly fly our SBCC burgees across GSB and beyond. See you on the water!

FROM THE CORRESPONDING SECRETARY

- ✿ Irene Novak has asked me to let our community know that *Summerhome II* will be coming to the market this summer. She is a beautiful example of the Hunter 410, carefully maintained and updated through the years. We are all saddened by the loss of Larry, a longtime and beloved member of the club. Please spread the word so we can help Irene find a new home for *Summerhome II*, and please contact Irene if you, or anyone you know, is in the market.
- ✿ We are already 5 RVs deep!? How did this happen? *Cambria* is in the water and the checklists are being checked. While we aren't going to make the Two-Week Cruise this year, we'll be seeing you at RVs... lacrosse/baseball/track/Boy Scout season is ending soon!

FROM THE FLEET CAPTAIN

Joe Werkmeister

The 2025 cruising season is in full swing. We kicked it off at Coast Guard Cove on May 3rd with the "Hot Toddies/Hot Chocolate rendezvous" hosted by myself and Christina aboard *Aurora*. Three boats were in attendance (*Aquae Sulis*, *Aurora*, and *Haven*) and all of us converted the rendezvous into a three-day weekend with an early start on Friday. The weather was rather pleasant so the "Hot Toddies/ Hot Chocolate" theme turned out to be just a "Hot Toddies" theme!

Next up on May 10th was the "Mother Ocean" rendezvous hosted by Fred and Mara Liesegang at Watch Hill Marina. Despite having to navigate the channel in extremely low water, we had a great time, enjoying the marina all to ourselves. Boats in attendance were *Aurora*, *Dust in the Wind*, and *Haven*. The seafood based feast was amazing! Christina and I really enjoyed the solace of having the beach to ourselves and Christina took the opportunity to add to her seashell stash!

FROM THE FLEET CAPTAIN**Joe Werkmeister**

Next up was the “Spring Family Weekend” rendezvous hosted by Scott and Wendy Gesele at Atlantique on May 17th. This rendezvous was held in conjunction with the first race of the season, “The Spring Race to Atlantique.” Kudos to Wendy Gesele who hosted the rendezvous sans boat, accompanied by Mara

Liesegang! They arrived via ferry after a last minute change of plans kept *Haven* at her home port while Captain Scott was out of town! Five boats participated in the race, and one boat (*Polaris*) stayed to enjoy the rendezvous. Also in attendance were *Bleu Moon* and *Lady Ann*, with *Bleu Moon* the only boat to stay on the overnight.

May 24th brought the fourth rendezvous of the season to Hemlock Cove, where Stephanie and Jay Pizer hosted the “French Feast” themed event! I was skeptical of the French food based upon my previous dining experiences, but was I very pleasantly surprised at how delicious were the French onion soup and Beef Bourguignon prepared by Stephanie. I have since learned that much time and effort goes into the preparation of those dishes. It was a great feast where everyone embraced the theme with their contributions! The rendezvous was attended by five boats (*Aurora*, *Bleu Moon*, *Haven*, *Rising Tide*, and *Shadow*) and most of us stayed until Monday to take advantage of the holiday weekend. *Aquae Sulis* arrived on Sunday and joined the festivities as *Haven* hosted an unofficial rendezvous Sunday afternoon.

FROM THE REGATTA CAPTAIN**Charlie Margeson****Regatta Committee Report**

Hello Racers,

We got our season off to a good start on May 17th with 5 boats participating in our first race of the year- the Spring Race to Atlantique (see report). Then we had 11 boats participate in a very competitive first BSIR series race on May 27. It was good to see such a good turnout so early in the season.

For the month of June we have some good races coming up:

- ✿ **The Babylon Cup Invitational** race is on Friday evening, June 6th with a regular start. This race is run by SBCC and hosted by Babylon YC at their clubhouse. Food & drinks will be available at the after-party,
- ✿ The Thursday night **Babylon Twilight Series** begins June 19th. This year the series will consist of one race each month from June through September for a total of 4 races for the series. Chris DeMarco will manage the series this year and we hope to see some new members join the fleet in 2025.
- ✿ **The Commodore's Cup** is on Sunday, June 29th with a 1:00 pm pursuit start. This is a shoot-out race between the Tuesday night BSIR series racers and the Thursday night Babylon series racers. Last year Babylon won the top two spots but the BSIR fleet has upped their game this year with some new boats joining the fleet. It should be a good race!

Our racing program provides all levels of competition for our members, from all-out racers to cruisers looking to enjoy some friendly competition. The SBCC Sailing Instructions for each race can be found on the SBCC racing website. So come out and try your hand with our weekday Tues or Thurs twilight series races or the enjoyable weekend races on the bay. Contact me if you have any questions.

See you on the Bay!

FROM THE REGATTA CAPTAIN**Charlie Margeson****2025 Spring Race to Atlantique—Race Report**

What a fun day we had for the 2025 Spring Race to Atlantique. The wind & weather gods were good to the diehard racers who came out for the first race of the SBCC Racing season on Saturday, May 17th.

As predicted, the morning was cloudy with a 10 kt SSW wind. We had some light rain around 11:00 but it passed quickly. Racers travelled from as far as Amityville (*Shadow*), Lindenhurst (*Aleboat*) and Sayville (*Polaris*- welcome Bill Sesack!). In all, we had 5 boats at the starting line this year. Larry Becker with Matt Rainis crewing in *Jewel* led off the pursuit start in a 10-12 SSW wind.

Just a few minutes after the start a weather front came through providing some strong shifty S-SW winds with gusts over 20 kts. Luckily it passed quickly and we were rewarded with clearing skies and perfect 12-15 kt SSW winds for the long run to our first mark. With the flood tide setting the fleet east, crews were kept busy short tacking at the end of the first leg to make the mark- including a tacking duel between *Pandemonium* & *Shadow*. *Jewel* was first around with some nice trim work followed by *Pandemonium* and *Shadow*.

Jewel sailed a great race and was not to be caught. They finished in 1st place. *Shadow* & *Pandemonium* battled it out for second with *Shadow* just pulling ahead half way through the last leg to take second. *Pandemonium* took third, *Polaris* was fourth and our RC Eric Winberry & crew in *Aleboat* took fifth.

**Final Spring Race to Atlantique Results:**

- 1st- *Jewel*- Larry Becker & Matt Rainis**
- 2rd- *Shadow*- Charlie Margeson**
- 3rd- *Pandemonium*- Gary Sebouhian & crew**
- 4th- *Polaris*- Bill Sesack & crew**
- 5th- *Aleboat*- Eric Winberry & crew**

Jewel, *Shadow* and *Polaris* pulled into Atlantique for a celebratory beer & awards party. We stayed an hour to enjoy the beautiful weather and join with the SBCC RV attended by the McCarthys, the Mourinos, Wendy Gesele and Mara Liesegang. The racers then left for a nice relaxing sail home.

Thank you to Eric Winberry & crew for his continued annual Race Committee duty for this race. It was a fine afternoon, a nice turnout and great way to start the 2025 racing season!

4 Ingredient No-Bake (Make on the Boat) Chocolate Balls

Flori Grottoli

Need to bring a dessert to a rendezvous? Want a decadent chocolate bite while watching the sun set from your cockpit? If you're a chocolate lover like I am, here's the perfect recipe. It's amazingly easy to make, it's a no-bake recipe, and it can be made ahead or prepared on the boat.

Ingredients:

7 oz. Semi-sweet Chocolate morsels

5 oz. Heavy cream

5 oz. Shredded coconut

4 tbsp Powdered sugar

Prep Time: 20 minutes

Fridge: 2 hours

Yields approximately 20 balls

Bring heavy cream to a boil and immediately turn off the heat. Add the chocolate morsels and stir until they melt.

Pour into a mixing bowl and add the coconut and the powdered sugar. Mix until well blended.

Place the bowl in the refrigerator for two hours (or freezer for 30 minutes) until mixture has solidified.

Place some shredded coconut into a bowl to be used for garnishing. Line a serving platter with parchment paper and begin rolling the mixture into bite-sized balls.

Dip each ball into the coconut. Place back into refrigerator until ready to serve.

These chocolate-coconut balls need to be served chilled, but not necessarily refrigerator cold. However, they are not to be served at room temperature otherwise they will soften too much.

Enjoy!

Vintage Classic Fiberglass Sailing Dingy 1962

\$175

Contact Andrea Larmor (631) 383-4655 (text mssg. for quick response)

Andreatheartist2004@yahoo.com

Originally built by Werf Gusto Scheindam in Holland No.020. It was the Dinghy for the Aqua Star Yacht. This dingy has been disassembled. A good winter project. Gunwhale guard had wood trim with roping. Buyer needs to get or make new wood and rope. Fiberglass exterior and interior. It comes with teak floorboard, three bench seats, brass fixtures and oarlocks, rudder, daggerboard and oars. It also has a mast and boom, but no sails. It has been disassembled to replace rub rail, and transom woodwork and make other repairs. Fiberglass needs patching.

It can be towed behind your boat. We have had many fun days rowing this dingy. This picture is two to three years old. Since then, it has been outside and flipped so water has not been sitting in it. We are no longer able to trek it down and back to the lake twice each year.

Highfield hard bottom CL260 tender 2017 \$1500

Contact John Trotta (631) 671-1041

This high-quality inflatable, hard-bottomed tender was purchased in 2017 and hasn't been used since 2020. She's been stored indoors, and is in need of a good yacht-tending assignment! John has also offered to donate 1/2 of the proceed to SBCC—a win-win for any club member in the market for a new tender.

Classic_{260/290/310}

Called the Classic range because these really are the perfect all-round tender that's also built to last.

The high quality finish and luxury look hides the fact that this range of tenders has been designed to work hard. A durable aluminium hull coupled with full length keelguards make these ideal for those beach-hopping days with friends and family.

The large weight savings achieved compared to equivalent GRP tenders means you'll enjoy impressive performance with smaller engines, and with excellent payload capacities the Classic range really does offer a tender for everyone.

FREE to a good home: 30' PEARSON WANDERER

Almost 25 years ago, my brother-in-law undertook the total restoration of his beloved 30' sloop. The boat has been kept in his warehouse/studio while it was meticulously undergoing a total refit with all new and up-to-date materials and equipment.

There is an extensive collection of new materials, including a new mast & boom, custom-made sails, rebuilt Atomic 4 engine, teak decking and electronics. The hull has been prepped for painting, including barrier coating.

His deteriorating health conditions are forcing us to find a new home for this potential gem. **Please call Jim Westpfahl (516-810-0547) for further details** and an opportunity to inspect the boat in West Babylon. Just move the boat and it is yours.
