

1972
L

South Bay Cruising Club

FROM THE COMMODORE:

The 21st Anniversary of the Club has led me to speculate about what has made us so unique. Aside from the obvious fact that so many of the members are extremely active in club events, and we all have such a fine time at them, I think there is one more important fact . . . we mostly inhabit a watery enclave.

The Great South Bay and the immediate bays to the east and west provide us with short sailing distances to attend all races and cruises excepting the annual cruises. We are a neighborhood club in the best sense of the word and without the worst problems of neighborhoods or clubs. Our responsibility to this enclave grows every time a new boat sets sail on the bay. If we all remain aware that the space grows smaller as the number of boats increase we shall be able to plan against chaos.

To all of the members a heartfelt good summer,

Bill Bradt

SOUTH BAY CRUISING CLUB

An organization formed in 1951 to promote cruising under sail on Great South Bay and nearby waters. Member club of the Great South Bay Yacht Racing Association and the North American Yacht Racing Union.

Officers

Commodore, William F. Bradt	Vice Commodore, M. Whiting Thayer
Rear Commodore, Bud Rosenberg	Treasurer, John Kapus
Fleet Captain, Richard Nehring	Secretary, Richard Daytz
Corresponding Secretary, Frederick C. Eggerstedt	
Chanteyman, Mickey Walsh	Fleet Surgeon, Robert Glinik, M.D.
Store Keeper, Fred Engerer	

Members, Board of Governors

Richard E. Brown, Ken Kondor, Donald J. Zimmer
John Woodward, William Milligan, Arthur Flynn,
Arthur Bertapelle

Committees

CRUISING Richard Nehring, Chairman (phone 264-2154)
John P. Berdolt, Donald P. Brown, Dr. John A. Canning, Harry Colleran, Cadman H. Frederick,

6 Sun. }		Committee Boat: Whisper
12 Sat.	West Island Race	Rendezvous at Great River Committee Boat: Sandpiper
13 Sun.	Champagne Breakfast Character Boat Race	Committee Boat: Orca
14 Mon.	Great River Week Begins	Various activities centered near and nightly rendezvous at Great River. Roger Ramsdell in charge of arrange- ments.
19 Sat.		Summer Party
26 Sat. }	Foulke Trophy	
27 Sun. }		

SEPTEMBER

2 Sat.	Commodore's Cup Race	Rendezvous at Smith Point Committee Boat: Pilgrim
3 Sun.	Cruise Race to Great River	Rendezvous at Great River Committee Boat: Skylark
9 Sat.		Rendezvous at Coat Guard Cut Committee Boat: Bold Venture
10 Sun.	Fall Series I, Bablylon YC	
16 Sat.	Single Handed Creepstakes	Clambake - Republican Club
23 Sat.	Cruise Race (Part I) }	Rendezvous at Great River Committee Boat: Ark
24 Sun.	Cruise Race (Part II) }	
30 Sat.	Fall Series II, Babylon YC	Rendezvous Carl River or Hemlock Committee Boat: Duchess

OCTOBER

1 Sun.	Fall Series III, Babylon YC	Rendezvous Carl River or Hemlock Committee Boat: Duchess
7 Sat. }	Discoverer's Race	Fall Cruise at Watch Hill Committee Boat: Orca
8 Sun. }		
9 Mon. }		
14 Sat.		Rendezvous at Unqua YC heading Committee Boats: Sea Hawk, Sandpiper
21 Sat.		Rendezvous at Great River Committee Boat: Duchess
22 Sun.	Cruise Race to Davis Park Committee Boat: Duchess	Rendezvous at Davis Park Committee Boat: Pecoca

RACING INFORMATION

ELIGIBILITY

All proper cruising sailboats owned or chartered by SBCC members are eligible and welcome to participate in Club races. Any such yacht properly sailing the course will have her time taken and her finish position calculated. However, the Club has established a racing fee to help defray the cost of this portion of its program. No SBCC racing trophy will be awarded to a yacht which has not paid this fee prior to the start of the race in which the trophy was won. Trophies for cruising, cruise-races and character boat races are not subject to the preceding restriction.

HANDICAPS

The SBCC Fleet includes many widely differing types of cruising sailboats. In order to make participation in Club races attractive to as many members as possible, the Club offers both Performance Handicap and Measurement Rule racing. Under this dual system, every yacht in the fleet is automatically given a Performance Rating based upon its past racing performance. In addition, members may elect to obtain measurement certificates for their yachts, qualifying them to race under the MORC or Storm Trysail rules. Members may change classes (i.e. Measurement to Performance or vice versa) only once during the year.

Performance Handicap Classes

The Performance Handicap system encourages participation by cruising skippers, particularly those with yachts not designed to a measurement rule, by providing handicaps reflecting the actual performance of the yacht.

The performance system uses the premise that a particular boat usually tends to sail about the same per cent faster or slower than the average of the fleet so that inherent differences between boats can be equalized by multiplying elapsed time by a Handicap Factor expressing how much faster or slower than average the particular boat can be expected to sail.

The Handicap Factor of a particular yacht is determined by a weighted average of past performances, minimizing the influence of old data and biased toward good performances, so that a better-than-average performance is required to win. The Handicap Factor so obtained is converted to a seconds-per-mile rating relative to a standard of about 800 seconds per mile, which has been found to be about the average speed of the fleet in Club events. The rating of each yacht is then converted to a time allowance in seconds per mile relative to a Scratch Boat (fastest boat in the fleet) which has zero time allowance. A yacht's corrected time in a race is then calculated by multiplying its time allowance by the course distance and subtracting the result from the yacht's elapsed time in the event.

Prior to racing a yacht in the fleet for the first time, the owner should contact the Handicap Chairman, Bruce MacGill. The Handicap Committee will provide a provisional time allowance based on comparison with other boats in the fleet. As racing experience accumulates, this provisional handicap will be replaced by an allowance calculated from the individual boat's actual performance.

Yachts racing under the Performance Handicap system will be assigned to Class A, B or C by the Handicap Committee.

Racing Information (Continued)

Measurement Rule Classes

Measurement Rule racing is based on the assumption that the maximum speed potential of a yacht can be calculated on the basis of its physical measurement. Because such calculations do not take into account the condition of the yacht, variations in skippers, or historical performance, measurement racing lays heavy emphasis on boat speed relative to the calculated potential. Its special appeal is to the owners of yachts of modern design, equipped with a full complement of racing gear.

Yachts under 30 ft. LOA with a valid Midget Ocean Racing Club measurement certificate may elect to race in Class M, and those 30 ft. and over with a valid Storm Trysail Club 1965 Rule measurement certificate may elect to race in Class S. To race in one of these classes, it is the responsibility of the individual yacht owner to obtain a measurement certificate from a professional measurer recognized by the certifying organization. To assist in this matter, the Fleet Measurer, Bob Forman, will arrange for boats to be measured in groups. These groups are formed during the Spring of each year and measuring is usually done on Saturdays, at some mutually convenient location.

All new yachts whose owners elect to race under a measurement rule, or previous measurement class yachts whose owners have made some change that would affect their measurement certificate, must be measured. The boat should be in the water, fully rigged and in racing condition in accordance with the rule under which the boat is to race.

It is the individual owner's responsibility to see that his up-to-date measurement certificate is on file with the Fleet Measurer. A yacht failing to comply with this requirement cannot be scored in the Measurement Classes.

Handicaps in Class S and M are computed on the basis of a time allowance in seconds per mile obtained from the North American Yacht Racing Union tables for the certified rating of the yacht. All Class S and M yachts automatically acquire Performance Ratings in addition to and distinct from their Measurement Rule ratings.

IDENTIFICATION

Racing numbers are required on mainsails, spinnakers and overlapping headsails, in accordance with current NAYRU rules. The requirement that offshore racing yachts carry NAYRU numbers has been waived. Racing skippers are reminded, however, that such numbers are usually required for racing off the Bay.

Racing yachts are requested to fly streamers of the following colors from their standing backstays or the leach of their mainsails:

CLASS	COLOR
A	Red
B	Green
C	Yellow
S	White
M	Blue

Absence of a streamer will not be cause for disqualification, but in the event of any confusion resulting from such absence, the yacht will be assumed to have started with the first class to start. A finish gun for first to finish in class will not be given unless streamer is visible to the Race Committee.

based on the assumption that the maximum speed calculated on the basis of its physical measurement. Take into account the condition of the yacht, variations in wind, measurement racing lays heavy emphasis on boat speed potential. Its special appeal is to the owners of yachts with a full complement of racing gear.

With a valid Midget Ocean Racing Club measurement certificate, Class M, and those 30 ft. and over with a valid Storm Certificate may elect to race in Class S. To race in Class S, the responsibility of the individual yacht owner to obtain a professional measurer recognized by the certifying authority, the Fleet Measurer, Bob Forman, will arrange for the measurement. These groups are formed during the Spring of each year and are done on Saturdays, at some mutually convenient

time to elect to race under a measurement rule, or previous measurement. The boat should be in the water, fully ready to start in accordance with the rule under which the boat is to race. It is the responsibility to see that his up-to-date measurement certificate is presented to the Fleet Measurer. A yacht failing to comply with this rule is subject to Measurement Classes.

Computed on the basis of a time allowance in seconds for each class. American Yacht Racing Union tables for the certified measurement rule yachts automatically acquire Performance Ratings and Measurement Rule ratings.

mainmainsails, spinnakers and overlapping headsails, in accordance with the rules. The requirement that offshore racing yachts be fully equipped. Racing skippers are reminded, however, that they are racing off the Bay.

fly streamers of the following colors from their mainmainsails:

COLOR

Red
Green
Yellow
White
Blue

cause for disqualification, but in the event of any protest, the yacht will be assumed to have started with the protest. The first to finish in class will not be given unless the protest is successful.

STARTING SCHEDULE

(With the exception of the West Island Race)

Signals will be made at five-minute intervals with each signal lowered 30 seconds before the hoisting of the next. The visual signal governs; the gun merely calls attention to it. As noted in the course instructions below, classes will start as follows:

Time	Shape	Regular Start	Combined Start
:00	White	Warning	Warning
:05	Blue	Preparatory	Preparatory
:10	Red	Start, S	Start, S
:15	White	Start, M	Start, M
:20	Blue	Start, C	Start, A, B, C
:25	Red	Start, B	
:30	White	Start, A	

For the West Island Race only: 13:00 — Warning; 13:10 — Preparatory; 13:20 — Start, C; 13:30 — Start, B; 13:40 — Start, A; 13:50 — Start, M; 14:00 — Start, S.

RECALL

Recall signal will be one blast of a horn or whistle for each yacht recalled. A yacht failing to hear or heed such signal will be penalized by having one-half hour added to her elapsed time.

TIME LIMIT

Regardless of time of start, the time limit for each class will expire at 1800 for all races except as noted otherwise in the course instructions. If any yacht finishes within the time limit, it is a race for her class. Yachts finishing after the committee boat has left its station should take their own time and report it to the Race Committee as soon as possible.

SPECIAL SIGNALS

Code flags A through G are used to designate Great River Week courses; see Course Instructions.

Code flags below apply to all SBCC-conducted races.

- AP — (red and white vertical stripes) — Answering Pennant, Postponement signal when accompanied by two guns.
- L — (yellow and black checks) — One of the designated marks is missing; come within hail for instructions.
- M — (white X on blue field) — Round or pass the object displaying this signal instead of the mark it replaces.
- N — Abandonment, race called off, accompanied by three guns.
- P — (white square on blue field) — Starts postponed fifteen minutes; accompanied by two guns. Warning signal will be made 30 seconds after P is lowered.
- R — (yellow cross on red field) — Sail the designated course in the reverse direction.
- S — (blue square on white field) — Sail the short course prescribed in the course instructions. When flown after the start (accompanied by two guns) means finish between the mark and nearby committee boat.

Racing Information (Continued)

PRIZES

Perpetual trophies are awarded for one year only. For the 1972 season they will be awarded to the one best yacht among the first place winner in each class. Selection to be made by Regatta Committee.

Each year the club awards permanent trophies to the overall winners of 10 races. The handicaps are figured on the best elapsed time based on the performance factors generated from a minimum of three previous races.

The winners have the pleasure of looking upon them and then when suitably engraved the trophies are enshrined in the Suffolk County Marine Museum, keeper cups are given as a substitute for permanent possession by the winners.

The winners for the 1971 season are:

Commodore's Cup	Bill Cook	Merry Ann
Great River Week	Al Heckle	Falcon
Foulke Trophy	Bill Cooke	Merry Ann
Sympatico Trophy	Jack Hollis	Jolly Jack
Smith Trophy	Al Heckel	Falcon
Deale Trophy	Don Brown	Whisper
Governor's Cup	Bill Cook	Merry Ann
Cruising Club Crock	Hans Kahn	Scrimshaw

Trophies for individual SBCC races (when not part of a series), and for SBCC series, will be awarded to each group receiving a separate start signal, according to the following schedule:

<i>Number of Starters</i>	<i>Trophies</i>
1 through 3	1st
4 through 6	1st and 2nd
7 through 9	1st, 2nd and 3rd
10 or more	1st, 2nd, 3rd and 4th

In SBCC series, the greatest number of starters in any one race will govern the number of trophies awarded for the series. In addition, the winner in each group receiving a separate start signal will receive a Daily First trophy.

SERIES SCORING

Points for each race will be awarded on the basis of 3/4-point for first, two points for second, three points for third, etc. DNF and WDR boats will receive 1 point more than the number of boats that started. DNS and DSQ boats will receive 2 points more than the number of boats that started. Series position will be determined by the total points accumulated by each yacht, in inverse order. Ties will be broken in favor of the boat which has beaten the other the greater number of times.

Early Bird Series

This series will be scored on the basis of a yacht's best three races.

Summer Series

This series will be scored on the basis of a yacht's best three races.

Racing Information (Continued)

Great River Week

This series will be scored on the basis of a yacht's best five races. In addition, the last three races (August 19, 20 and 21) will be scored as a separate three-race series.

Wind-Up Series

These races will be scored as a three-race series. However, any yacht sailing the Discoverer's Race may use her finish position in the Discoverer's Race instead of one of the Wind-up races.

RULES

Racing rules of the NAYRU shall govern except as otherwise specified in these instructions. Burgees and other flags may be flown when racing. Government navigation buoys not stated to be marks of the course may be disregarded at the discretion of the skipper.

PROTESTS

The SBCC Protest Committee operates under Part VI of the Racing Rules of the North American Yacht Racing Union, supplemented by published decisions of the NAYRU Appeals Committee.

It will only entertain protests made in conformity to the rules of Part VI, including:

- Display of Protest Flag
- Notification of Protested Yacht
- Notification of Race Committee
- Submission of Written Protest
- Citation of Rule Allegedly Infringed.

Contrary procedure automatically invites reversal of findings under the appellate procedures, as exemplified by Appeals #3 and #67 on the matter of Display of Protest Flag.

EQUIPMENT

The equipment required by NAYRU for Category 4 races is strongly recommended.

COURSE INSTRUCTIONS

Early Bird Races: May 13 and 14. Warning gun — 1300. Combined Start sequence. Start established by committee boat off Lawrence Creek; through center span of Captree Bridge to Flasher No. 7 off Oak Island Channel; returning through center span of bridge to Flashing Green No. 1 off Bayberry Point; to finish line off Lawrence Creek. Leave all marks to port. Course distance — 9.5 nautical miles. Race chairman May 13: Ralph Logan, May 14th: Bill Cook.

Early Bird Races: May 20 and 21. Warning gun — 1300. Combined Start sequence. Start off Babylon Yacht Club; to Flasher No. 7 off Oak Island Channel, leaving it to port; through center span of Captree Bridge to Flashing Green No. 1 off Bayberry Point, leaving it to port; to Black and White Mo(A) in Great Cove, leaving it to port; return through center span of bridge to finish line off Babylon Yacht Club (which should NOT be used as a rendezvous point for these and other solely SBCC functions, unless specifically instructed). Course distance — 10.5 nautical miles. Race chairman May 20: Harry Colleran, May 21: Jack Hollis.

If short course is signalled, omit Flasher No. 7 and proceed directly to the center span of bridge. Course distance — 10.0 nautical miles.

Racing Information (Continued)

Long Island Invitation: May 27. Warning gun — 1300. Combined Start sequence. Start established by committee boat off Carlls River; to westernmost of two buoys both F1 G off Neguntatogue Creek; through center span of bridge to Flashing Green No. 1 off Bayberry Point; to Black and White Mo (a) in Great Cove; return through center span of bridge to finish line. Leave all marks to port. Course distance 13.5 nautical miles.

Bay Shore Invitation: June 3 Warning gun — 1300. Combined Start sequence. Start established by committee boat off Lawrence Creek; to Nun No. 6, east of Captree Bridge, leaving it to port; to Flashing Green No. 1 off Bayberry Point, leaving it to starboard; to Flashing Red No. 4 off Nicoll Point, leaving it to port, return to finish line off Lawrence Creek. Course distance — 12.0 nautical miles.

Narrasketuck Invitation: June 10. Warning gun — 1000. Modified Start sequence. Shapes are alternating black and yellow. Classes S and M start together on the third signal (black shape) and Classes A, B, and C start on the fourth signal (yellow shape). Start established by committee boat off Amityville Creek; through center span of Captree Bridge to Flasher No. 31 off Blue Point, leaving it to port; return through center span of bridge to finish line off Amityville Creek. Course distance — 36.0 nautical miles. Time limit is 2200.

If short course is signalled, the turning mark is Flashing Green No. 1 off Bayberry Point, leaving it to port, instead of Flasher No. 31. Course distance — 19.5 nautical miles.

Early Cruise Race: June 17 and 18. A two day race. Trophies will be awarded on the basis of combined corrected time for the two days. Rules require entrants to tow a dinghy and crew must sleep aboard Saturday night — in this series spinnakers are O.K. — all club yachts may enter.

Saturday June 19th — Commodore's Cup course, but Combined Start sequence. 16.2 nautical miles.

Sunday June 20th — Warning gun — 1100. Combined Start sequence. Start established by Committee boat in vicinity of flashing green 4 sec "5" in Bellport Bay to flashing green 4 sec "1" at Howell's Point, leaving it to starboard to a finish in Nicoll Bay — course distance 9.0 nautical miles.

Ocean Race: June 24. Harbor start from Sore Thumb — 0800. Warning gun — 0900. Combined Start sequence. Start between Committee Boat and Buoy No. "4 F1" off Fire Island Inlet; to Black and White Gong Buoy No. "J 1" off Jones Inlet and return, leaving No. "J 1" to port. Course distance — 26.5 nautical miles. Race Chairman: John Rieger.

If short course is signalled, course is to Nantucket Sea Lane Lighted Buoy "NB" and return, leaving Buoy "NB" to port. Course distance — 22 nautical miles.

Babylon Invitation: July 1. Warning gun — 1300. Regular start sequence.

COURSES

Classes S and M — Long Course — Start established by Committee Boat off Willett Creek; to Flasher #7 off Oak Island Channel, leaving it to Port; through center span of Captree Bridge to Flasher #1 off Bayberry Point, leaving it to Starboard; to Flasher #5 off Nicoll Point, leaving it to Port; to Black and White Mo(A) in Great Cove, leaving it to Port; return through center span of bridge to finish line off Willett Creek.

Classes S and M — Short Course — As above, but omit Flasher #5 and round Can #3 off Hechscher State Park instead, leaving it to Port.

Racing Information (Continued)

Classes A, B, C – Long Course – Start established by Committee Boat off Willett Creek; to Flasher #7 off Oak Island Channel, leaving it to Port; through center span of Captree Bridge to Flashing #1 off Bayberry Point, leaving it to Starboard; to Can #3 off Hechscher State Park, leaving it to Port; to Black and White Mo(A) in Great Cove, leaving it to Port; through center span of bridge to finish line off Willett Creek.

Classes A, B, C – Short Course – As above, but omit Can #3 and round Flashing #1 off Bayberry Point, leaving it to Port.

Distances

S and M Long Course 16 N.M.

S and M Course Change "T" 15 N.M.

S and M Short Course 13.5 N.M.

S and M Short & Change "T" 12.5 N.M.

A, B, C Long Course 13.5 N.M.

A, B, C Course Change "T" 12.5 N.M.

A, B, C Short Course 9.5 N.M.

A, B, C Short Course & Change "T" 8.5 N.M.

Note: If code flag T (red, white and blue vertical stripes) is flown, all classes omit Flasher No. 7 off Oak Island Channel.

Ladies' Day Race: July 2, Skipper must be a lady. Warning gun – 1400. Combined Start Sequence. Start established by committee boat off Brightwaters Canal; to Nun No. 6 east of Captree Bridge; to Flashing Green No. 1 off Bayberry Point; to Black and White Mo(A) in Great Cove; to finish line off Brightwaters Canal. Leave all marks to port. Course distance – 5.5 nautical miles. Race chairman: Gene Reardon.

Broadsides Trophy for best boat with all-girl crew in fleet. Yachts eligible for this trophy must so advise the Race Committee prior to their Warning Signal.

Smith Trophy Race: Tuesday, July 4. Warning gun – 1300. Regular Start sequence. Start established by committee boat off Lawrence Creek; to Nun No. 6 east of Captree Bridge, leaving it to port; to Nun No. 4 at Dickerson Channel entrance, leaving it to port; to Black and White Mo(A) in Great Cove, leaving it to starboard; to Flashing Red No. 2 off Champlin Creek, leaving it to port; to starting line Stake Boat, leaving it to port; to Nun No. 6 east of Captree Bridge, leaving it to port; to finish line off Lawrence Creek. Course distance – 12.5 nautical miles. Race Chairman: Earl Murray.

Summer Series: July 8, 15, 22 and 29. Warning Gun – 1300. Combined Start sequence. Courses same as Early Bird Series. July 8 and 22 start in Bay Shore, July 15 and 29 start in Babylon. Race Chairman July 8: Ed Miller, July 15, Joe Chasas, July 22 Bob Forman; July 29: Al Heckle.

Great South Bay Yacht Racing Association Race Week: July 31 to August 5 at Great River. The last three days will give SBCC members a chance to race cruising boats. There is a charge for entry. Race courses have not yet been set and starting times will be at 1300 to clear the course for smaller racing boats. Watch for details in the YRA Book.

West Island Race: August 12 Warning gun – 1300. Special Reverse Start sequence as shown on page 7. Start established by committee boat in Nicoll Bay; to Flashing Red No. 10 off Bay Shore; to Red and Black Quick Flasher off Saltaire; to Flashing Green 15 off Point O'Woods; return to finish line in Nicoll Bay. Leave all marks to port. Course may be sailed in opposite direction with all marks left to starboard. Yachts must pass to the north of Flashing Red No. 8 SE of West Fire Island regardless of which direction the course is sailed. Course distance – 15.0 nautical miles. Time limit is 1900. Race chairman: Whitey Thayer.

Deale Trophy for Best boat in fleet. Schnur Trophy for last boat to finish.

Racing Information (Continued)

Character Boat Race and Beauty Contest: Sunday, August 15. Yachts eligible for these events will be sent invitations by the Selection Committee in accordance with the Deed of Gift of the Character Boat Perpetual Trophy, the "Cruising Club Crock." Entries will sail by the Committee Boat at the mouth of Great River from 1230 to 1300 EDT for Beauty Contest judging. (Trophy to be awarded.)

Character Boat Race: All yachts at anchor, sails furled. Warning gun — 1345; Preparatory gun — 1350; all yachts start together at 1355. Start established by Committee Boat in mouth of Great River; to Nun No. 30 south of Green Point; to Flashing Green No. 5 off Nicoll Point; to finish in Great River. Leave all marks to starboard. First to finish is race winner.

Great River Week: August 14 through 19. Warning gun — 1300. Combined start sequence. Start established by committee boat in Nicoll Bay.

Courses designated by flags of the International Code as follows:

A (white and blue vertical bars, swallowtail shape) — To Flashing Red No. 18 off Point O'Woods; to Flashing Green No. 1 north of shoal off Barrett Beach; return to finish line in Nicoll Bay. Leave all marks to port. Course distance — 9.5 nautical miles.

B (red swallowtail) — To Flashing Red No. 18 off Point O'Woods; to Flasher No. 31 off Blue Point; return to finish line in Nicoll Bay. Leave all marks to port. Course distance — 12.0 nautical miles.

C (blue, white, red, white, blue horizontal bars) — To Flashing Red No. 4 off Nicoll Point; to Flasher No. 31 off Blue Point; return to finish line in Nicoll Bay. Leave all marks to port. Course distance — 12.00 nautical miles.

D (yellow, blue, yellow horizontal bars) — To Flashing Green No. 5 off Nicoll Point, leaving it to starboard; to Flashing Red No. 2 off Champlin Creek, leaving it to port; to Flasher No. 3 off Point O'Woods, leaving it to port; to Nun No. 28 in Nicoll Bay, leaving it to port; return to finish line in Nicoll Bay. Course distance — 10.0 nautical miles.

E (blue and red horizontal bars) — West Island Race course.

F (red diamond on white field) — to Flashing Red No. 4 off Nicoll Point, leaving it to port; to Can No. 1 off Brown Creek, leaving it to starboard; to Flashing Red No. 18 off Point O'Woods, leaving it to starboard, return to finish line in Nicoll Bay. Course distance — 13.5 nautical miles.

G (yellow and blue alternating vertical bars) — To Flashing Red No. 4 off Nicoll Point, leaving it to port; to Red and Black interrupted Quick Flashing Green off Patchogue channel, leaving it to starboard; to finish line 1/2 mile north of Sailor's Haven, Course distance — 14.0 nautical miles.

Foulke Trophy Race: August 26. Warning gun — 1800. Regular Start sequence. Starting line between committee boat and Flasher No. 7 off Oak Island Channel; through center span of Captree Bridge; to Flashing Green No. 1 off Howell Point, leaving it to port, return through center span of bridge to the finish line between the committee boat and the flagpole at the end of the Babylon Yacht Club dock (which should not be used as a rendezvous for this race). Course distance — 34.0 nautical miles. No time limit for this race. Race chairman: Don Brown.

The International Rules of the Road will be used instead of the Racing Rules between the hours of sunset and sunrise. All required lights must be shown.

Foulke Trophy for the best boat in fleet. Sympatico Cup for the last boat to finish.

Racing Information (Continued)

Commodore's Cup: September 2. Warning gun — 1300. Regular Start sequence. Start established by committee boat in Nicoll Bay; to Flashing Red No. 2 off Champlin Creek, leaving it to port; to finish line established by committee boat off Howell Point. Course distance — 16.2 nautical miles. Time limit is 1900. Commodore's Cup is for best boat in fleet. Race chairman: Jim Reilly.

Babylon Y. C. Fall Series: September 10, September 30, and October 1. Three race series. Warning Gun 1230 (Combined Start sequence) — Same courses and signals as July 1st race except FINISH AT BABYLON Y.C. DOCK.

Single-Handed Creepstakes: Sept. 16. Warning Gun — 1400. Regular Start Sequence. Start established by committee boat off Corey Creek, Patchogue; to Flasher No. 31 off Blue Point; to Flashing Red No. 32; to finish line off Corey Creek. Leave all marks to port. Course distance — 4.5 nautical miles. Race chairman: Whitey Thayer.

Cruising Committee Invitation: September 23 and 24. Two separate two-day series will be raced, one from the eastern part of the Bay to Great River, returning the following day, and one from the western part of the Bay, returning the following day. Separate trophies for yachts from the east and west will be awarded on the basis of combined corrected time for the two days. Rules require yachts to tow a dinghy, not to set spinnakers, and to have crews sleep aboard on Saturday night. All Club yachts are eligible.

Eastern Bay: September 25. Warning gun — 1300. Combined Start sequence. Start established by Committee Boat off Sayville Yacht Club; to Flashing Red No. 32 in Patchogue Bay; to Nun No. 30 south of Green Point; to finish in Nicoll Bay. Leave all marks to starboard. Course distance — 8.0 nautical miles.

Eastern Bay: September 24. Warning gun — 1300. Combined Start sequence. Reverse the course sailed the previous day.

Western Bay: September 23. Warning gun — 1300. Combined Start sequence. Start established by Committee Boat off Lawrence Creek in Bay Shore; to Nun No. 6 east of Captree Bridge, leaving it to port; to Flashing Green No. 1 off Bayberry Point, leaving it to starboard; to Flashing Green No. 29 south of Nicoll Bay, leaving it to port; to finish in Nicoll Bay. Course distance — 10.5 nautical miles.

Western Bay: September 24. Warning gun — 1300. Combined Start sequence. Start established by Committee Boat in Nicoll Bay; to Flashing Green No. 29 south of Nicoll Bay; to Flashing Green No. 1 off Bayberry Point; to finish off Lawrence Creek. Leave all marks to starboard. Course distance — 7.5 nautical miles.

Discoverer's Race: Sunday, October 7. Warning gun — 1300. Combined Start sequence. Start established by committee boat off Lawrence Creek; through center span of Captree Bridge to Flasher No. 7 off Oak Island Channel; returning through center span of bridge to Flashing Green No. 1 off Bayberry Point; to finish line off Lawrence Creek. Leave all marks to port. Course distance — 9.5 nautical miles. Race chairman: Gene Whisenhunt.

Wind-Up Races: October 14, 15 and 21. Warning gun — 1300. Combined Start sequence. Same courses as Early Bird Series. October 14 and 21 start off Babylon, October 15 start off Bay Shore. Race Chairmen October 14: Dave McPherson, October 15: Charley Carpenter, October 21: Jim Brown.

Note: In the event that any of the preceding Race Chairmen is unable to fulfill his commitment, one of the following gentlemen may be expected to officiate: Fred Eggerstedt, Joe French, Bill Simonson, Bob Smith.

REVIEW OF 1971 CRUISING ACTIVITIES

The sailing season started on May 15th, with the first of 38 scheduled races and the Spring Cocktail Party. Several boats met for the night at Great River. Sea Hawk had some small problem with the bar at the river mouth.

Early cruisers found Watch Hill had nails in the mooring piles which chewed up some hulls.

As in previous years, a group headed by John Woodward, Art Flynn and Fred Frederick had a stag cruise in early June.

The early cruise race, a two day affair, went east without a hitch on Saturday 6/19, but the return that Sunday was complicated when Sea Hawk tried to eat Sinn Fein's dink at the start, and several boats didn't round the marks and the committee boat was delayed while rescuing a Hobie Cat and didn't make the finish.

Commissioning day, May 31st, saw only 4 wooden boats in the large fleet at Babylon Yacht Club's dock.

The Annual Cruise was a great success—66 boats attended, and as usual, went at least 66 different ways.

Many more tabernacles were noted on the larger boats. Aequanimitas saluted the fleet by raising and lowering her mast, while underway in Shinnecock Canal.

As usual, some boats spent their time in the vicinity of Shelter Island and the Peconics, while others pressed on through Shinnecock Inlet to Block Island thence east to Buzzard's Bay and the offshore islands. Some reported cruise highlights were the long lunch at Griswold Inn, a bus tour for SBCC visitors of the fabled Mansions of Newport, no swordfish at Deadeye's because of mercury scare. Chief Engineer Bob Stuhler trying to blow ballast (holding tank) in Naragansett Bay—Pilgrim also with sanitary engineering problem. July 19th provided a 5" rainstorm in Hamburg Cove swamping dinks and cleaning boats.

By all reports, all returned safely and in good spirits. Al Wieda made attractive carving boards as cruise mementos, awarded to following:

AEQUANIMITAS — AWIKI — BLUENOSE — BARCAROLLE — BOLD VENTURE —
CHANTEY — DRIFTER — DOLPHIN — DUCHESS — DULCINEA — FLICKA —
FOUR C'S — FANG — GODSPEED — ISDON — JEANIE — JOLIE MADAME —
KANDY BAR — KIRSTY — LADYBUG — LADY LOU V — LIEBCHENS — LORIEN —
LORNA DOONE — LENA — MANATUCK — MANX — MORNING STAR — MANDALAY —
NANCEE II — NOREASTER — ODYSSEY — ONDA — ORCA — OSPREY —
PATIENCE — PECOCA — PILGRIM — POLLY BEE — PURITAN — PISCES —
RED BARON — RELEASE — REVERIE — ROSE — STARDUST — SANDPIPER —
SEA GYPSY — SEA HAWK — SHOSHANNA — SKYLARK — SOUTHWIND — SYREN —
SEA SPRITE — TAMB — TING HAO — TRADITION — TRANQUILIZER — TERN —
UTOPIA — VALKYRIE — VALHALLA — WHISPER — WIDGEON — WINDS RUSH —
#82 (Mackston)

The Champagne Breakfast saw well over 100 boats clogging Great River — a fabulous sight.

Hans Kahn in his Wianno gaff sloop won the Character Boat Race for the second time.

Great River Week, the Club's new fixture, was better attended than ever, and along with the racing fleet were a large turnout of cruisers, gammers, spectators, even community skippers, no racers could have been short of crew. Marvelous week by all reports, capped by swimming and cocktail party at Shoreham. Mickey Walsh serenaded Art Flynn with virtuoso selections on the bugle.

Labor Day weekend at Smith Point was well attended as was the Cruise Race from Bellport back to Great River on Sunday. Phil Wainwright in Duchess promises to better his time next year, he took fourteen hours plus by cutting too close at Howell's Point.

On September 25th, the two way-two day cruise race started from Bayport and Bay Shore, to Great River with return the following day. Flighty Mist beat out Jolie Madame in "S" in western bay group by one second for two days racing.

The Fall Cruise, October 9, 10 and 11, was held on the windiest, rainiest and doggiest weekend of the year. Everyone brought at least one dog — everyone got soaking wet, and the ride home in lowering skies was the hairiest of the season.

October 30th saw five wooden boats at Cedar Beach (Vi, Stardust, Wahoo, Reverie and Skylark) — there aren't many left in the fleet, but they are persistent.

The cruising season formally closed at the Fall Cocktail Party at Timber Point where hardy sailors had a final toast to a great season — Wait 'til next year!

Bud Rosenberg

CRUISING INFORMATION

Many cruising activities and rendezvous have been planned for this season with several new ideas and ports added. Please refer to the schedule for dates and details.

Committee boats have been designated for each rendezvous. While it is not the purpose of the committee boat to plan activities or to log attending boats, it is hoped that this boat will serve as a focal point for skippers, especially newer members, to meet and become better acquainted.

Prior to the annual cruise, meetings will be scheduled to prepare skippers and crews on equipment that should be carried and to chart ports to be visited. Early indications are that there will be two groups cruising for two weeks and another group cruising for three weeks. All are invited.

Great River week is a fun time and is popular with both racing and cruising skippers and their families. This year should be even better as additional activities are being planned.

AWARDS

"Green Water Award"—a trophy awarded for participation in SBCC overnight rendezvous, or if baycruising in other than club events, upon submission of log summary to the cruising committee.

"Annual Cruise Award"—a memento recognizing participation in the annual cruise.

"Blue Water Award"—This is SBCC's most prestigious award, given at the discretion of the cruising committee in recognition of an extended cruise off-soundings. Those who think they qualify are urged to submit logs.

EARLY CRUISE RACE — JUNE 17th — 18th

All club yachts are eligible to enter. Warning gun — 1300. Combined Start sequence. Start in vicinity of Bay Shore Cove to Nun No. 6 by Captree Bridge to Bouy No. 31 off Blue Point to finish in Cove in vicinity of entrance to Republican Club Creek. All marks to be left to port. No spinakers or dinghys. Race chairman: Whitey Thayer.

CRUISING COMMITTEE INVITATION — SUNDAY, SEPTEMBER 3rd

All club yachts are eligible to enter. Warning gun — 1300. Combined Start sequence. Start established by Committee boat in Bellport Bay in vicinity of Flashing Green No. 5 at north end of channel to Smith Point; to Flashing Green No. 1 off Howell Point; to finish line established by Committee boat in Nicoll Bay. Race chairman: Whitey Thayer.

CRUISING COMMITTEE INVITATION — SEPTEMBER 23rd and 24th

Course instructions given under Racing Information, page 15.

Saturday, September 23rd — Western Bay *Start:* Bob Dunlop
Eastern Bay *Start:* Mike Fleming
Finish: Fred Engerer

Sunday, September 24th — *Start:* Art Bertapelle
Western Bay *Finish:* Dick Nehring
Eastern Bay *Finish:* Jim Reilly

Saturday, September 23rd — Cookout is planned at mouth of Great River, Club to provide beer and watermelon. Members are to bring charcoal, food and grills. Chanteyman, Mickey Walsh, is chairman.

Cruising Information (Continued)

CRUISING COMMITTEE INVITATION – SUNDAY, OCTOBER 22nd

All club yachts are eligible to enter. Warning gun – 1300. Combined Start sequence. Start established by Committee boat off Nicoll Bay to Flashing Green No. 5 off Nicoll Point; to finish off Davis Park. All marks to be left to port. If short course is signalled, omit Bouy No. 5. Race chairman: Phil Wainwright.

Radio Communication

For safety, convenience and intercommunication within the Club it is desirable that Cruising Club vessels be equipped with radio telephones, especially while on the annual cruise.

Existing radio telephones operating in the 2 to 3 Mhz range are to be phased out by the Federal Communications Commission. The final cut off date for new station licenses operating in this range is January 1, 1972. After this date it will be illegal to replace a low frequency equipment with another low frequency equipment.

Vessels having radio station licenses issued before Jan. 1, 1972 for low frequency operation may continue to operate until Jan. 1, 1977 provided there is no substitution of equipment. License renewals must be obtained as required.

It is advisable to have your station equipment checked out each spring by an authorized licensed service man to avoid low performance. Such a check should be made after the boat is in commission.

Club Communications

Weekends

The weekend rendezvous committee boat, if radio equipped, should keep a 2182 Mhz radio watch on Saturdays between 5 and 6 PM at the rendezvous location to furnish and receive information about the rendezvous.

On weekends the following periods are designated for general club communications. At these times vessels in operation should monitor the 2182 Mhz frequency. The periods are as follows:

Fridays
7.30 PM to 7.40 PM

Saturdays
9.10 AM to 9.20 AM
12.10 PM to 12.20 PM
5.10 PM to 5.20 PM

Sundays
12.10 PM to 12.20 PM
4.10 PM to 4.20 PM

During Annual Cruise

Based on past experience it is desirable for all SBCC radio equipped vessels on the cruise to continuously monitor the 2182 Mhz frequency while under way to be of possible assistance to other vessels. In late model sets this results in low current drain. In addition, the following 10-minute watch periods should be observed on this frequency whether or not under way.

7.30 AM to 7.40 AM
1.10 PM to 1.20 PM
6.10 PM to 6.20 PM
8.10 PM to 8.20 PM

While under way hoist the code flag "H" if you want a nearby vessel to call you on 2738 Mhz.

At the end of a days run radio equipped vessels should include advice indicating the safe arrival of non-radio equipped vessels in any reports given to other cruise groups.

Important — If you have become separated from the cruise group you started with, advise the group committee boat of your plans.

Boats expecting to navigate in outside waters should have a radio direction finder. It is wise to place the RDF in a loose plastic bag, such as a "Glad" bag, as a protection from the elements if used on deck. The RDF can be tuned through the plastic cover.

Operating Procedures

Procedures are outlined in the Federal Communications Commission's Rules and Regulations pertaining to the operation of marine radio telephones. These are contained in a booklet entitled "Marine Radio Telephony-Radio Technical Commission for Marine Services". It is important that we observe the following:

1. Providing the channel is clear the 2182 Mhz channel may be used in attempting to contact a specific vessel. This should be brief giving the name of the vessel and radio call followed by your vessel's name and call.
2. Make such attempts to "raise" a vessel no more frequently than every three minutes.
3. When contact is made immediately shift to either the 2638 Mhz or 2738 Mhz channel.

VHF Radio Telephones

A rapid conversion to VHF operation by pleasure boats is expected in the next few years. Its use will greatly improve boating communications in general. Operation is in the 156 to 158 Mhz band permitting the use of many more channels than before. New whip type antenna systems will be required and height of the antenna will be an important factor in the range of communication. Ground plates are not required with VHF. Static interference is practically eliminated.

The essential channels are the following:

- Channel 6- Ship-to-ship
- Channel 16- Distress and Calling (like 2182 Mhz)
- Channel 26- Marine Operator- Hempstead
- Channel 28- Marine Operator- Riverhead

SBCC Radio Equipped Boats

Following are SBCC vessels reported to be equipped with radio telephones during the 1972 season. Owners of vessels equipped but not listed should notify Phil Wainwright (phone 264-2571). VHF equipped vessels are indicated.

Vessel	Call Letters	Owner	Sail No.

APOLOGIA

Anyone who has had to do with printing has heard over and over again that there never was a piece of printing that did not contain some errors and that there never will be a perfect piece of printing.

It is upon this heartening alibi I rest my case and for all sins of omission or commission, mea culpa.

To Dick Brown, Jim and Barbara Brown, John Kapus, Harry Colleran, Helen Beinert, et al my many thanks. To my balky electric portable, bad cess. Along with all this help I got plenty of sympathy from well wishing and understanding friends, I hope they will not become former friends after reading the Year Book.

Special thanks to the Trilon Litho Company for cooperation and to Harry Sloan for his soothing words of cheer and technical assistance.

John Beinert, 1972.
