

SOUTH BAY CRUISING CLUB

1973

FROM THE COMMODORE:

Over the years the club has made much of the skipper and his yacht with little attention paid to the most important member of the crew. . . his wife, we do hold a race for the ladies but as far as club kudos is concerned it seems to end there.

Consider. . .any lady who says I do at the altar inadvertently takes a vow of poverty when she marries a sailor. Given the need for a decision between a mink jacket or a new spinnaker we know who gets what.

Consider. . .the wind is up to fifty knots, the seas are breaking green off the bow, the cabin is a mess and who looks up to you so sweetly and says "Let's go home hon" and thus gives you a good excuse for quitting the race.

Consider. . .who, with the aid of a dull ice pick and a bent spoon can cook up such meals as to put Brillat-Savarin to shame?

Consider. . .who, for the first run ashore, must struggle into a wet girdle and a wetter bra and thus be traumatized for the rest of the cruise?

Consider. . .who, instinctively, knows what's wrong with the engine when you are stumped?

Consider. . .who, when you are feeling out of sorts, tells you you drink too much?

Consider. . .who plays the role of charming hostess at the rendezvous while we sit around swilling and bragging?

Consider. . .who puts out the fenders and dumps the killick?

Consider. . .what in God's name would we do without them?

All of the foregoing was put together by a select committee as a bow to the wonderful ladies who make seagoing a pleasure and the committee, in the event of an investigation, now claims executive privilege in not divulging source material.

STARTING SCHEDULE

(With the exception of the West Island Race)

Signals will be made at five-minute intervals with each signal lowered 30 seconds before the hoisting of the next. The visual signal governs; the gun merely calls attention to it. As noted in the course instructions below, classes will start as follows:

<i>Time</i>	<i>Shape</i>	<i>Club Start</i>	<i>Cruise Races, Twilight and Great River Week</i>
:00	White	Warning	Warning
:05	Blue	Preparatory	Preparatory
:10	Red	Start S	All classes Start
:15	White	Start M	
:20	Blue	Start II	
:25	Red	Start I	

For the West Island Race only: 13:00—Warning; 13:10—Preparatory; 13:20—Start, C; 13:30—Start, B; 13:40—Start, A; 13:50—Start, M; 14:00—Start, S.

RECALL

Recall signal will be one blast of a horn or whistle for each yacht recalled. A yacht failing to hear or heed such signal will be penalized by having one-half hour added to her elapsed time.

TIME LIMIT

Regardless of time of start, the time limit for each class will expire at 1800 for all races *except as noted otherwise in the course instructions*. If any yacht finishes within the time limit, it is a race for her class. Yachts finishing after the committee boat has left its station should take their own time and report it to the Race Committee as soon as possible.

SPECIAL SIGNALS

Code flags A through G are used to designate Great River Week and other courses; see Course Instructions.

Code flags below apply to all SBCC-conducted races.

- AP — (red and white vertical stripes) — Answering Pennant, Postponement signal when accompanied by two guns.
- L — (yellow and black checks) — One of the designated marks is missing; come within hail for instructions.
- M — (white X on blue field) — Round or pass the object displaying this signal instead of the mark it replaces.
- N — Abandonment, race called off, accompanied by three guns.
- P — (white square on blue field) — Starts postponed fifteen minutes; accompanied by two guns. Warning signal will be made 30 seconds after P is lowered.
- R — (yellow cross on red field) — Sail the designated course in the reverse direction.
- S — (blue square on white field) — Sail the short course prescribed in the course instructions. When flown after the start (accompanied by two guns) means finish between the mark and nearby committee boat.

PRIZES

Perpetual trophies are awarded for one year only. For the 1973 season they will be awarded to the one best yacht among the first place winner in each class. Selection to be made by Regatta Committee.

Each year the club awards permanent trophies to the overall winners of 10 races. The handicaps are figured on the best elapsed time based on the performance factors generated from a minimum of three previous races.

The winners have the pleasure of looking upon them and then when suitably engraved the trophies are enshrined in the Suffolk County Marine Museum, keeper cups are given as a substitute for permanent possession by the winners.

The winners of the 1972 season are:

Commodore's Cup	Willopeg
Foulke	Bold Venture
Sympatica Trophy	Jolly Jack
Smith Trophy	Merry Ann
Deale Trophy	Leprechaun
Governor's Cup	Bold Venture
Cruising Club Crock	Americat
Schnur Trophy	Hollandia
Broadside Trophy	Patsy Kelly

The perpetual Trophies are on display in the Suffolk County Marine Museum. Keeper cups are given to winners of these trophies and their names engraved on the permanent trophy. Classes S and M will be scored on the SBCC Handicap system to determine the winner.

Trophies for individual SBCC races (when not part of a series) and for SBCC series will be awarded to each class, according to the following schedule:

Greatest Number of Starters

1 through 3
4 through 6
7 through 9
10 or more

Tropies for

1st
1st and 2nd
1st, 2nd and third
1st, 2nd, third and 4th.

SERIES SCORING

Points for each race will be awarded on the basis of 3/4-point for first, two points for second, three points for third, etc. DNF and WDR boats will receive 1 point more than the number of boats that started. DNS and DSQ boats will receive 2 points more than the number of boats that started. Series position will be determined by the total points accumulated by each yacht, in inverse order. Ties will be broken in favor of the boat which has beaten the other the greater number of times.

Early Bird Series

This series will be scored on the basis of a yacht's best three races.

Summer Series

This series will be scored on the basis of a yacht's best three races.

Racing Information (Continued)

Great River Week

This series will be scored on the basis of a yacht's best five races. In addition, the last three races (August 13 through 18) will be scored as a separate three-race series.

Wind-Up Series

These races will be scored as a three-race series. However, any yacht sailing the Discoverer's Race may use her finish position in the Discoverer's Race instead of one of the Wind-up races.

Twilight Series

This series will be scored on the basis of total corrected time for 3 races.

In SBCC series, the greatest number of starters in any one race will govern the number of trophies awarded for the series. In addition, the winner in each group receiving a separate start signal will receive a Daily First trophy.

RULES

Racing rules of the NAYRU shall be observed except as otherwise specified in these instructions. Burgees and other flags may be flown when racing. Government navigation buoys not stated to be marks of the course may be disregarded at the discretion of the skipper with the following exceptions:

1. YACHTS RACING THROUGH CAPTREE BRIDGE MUST PASS THROUGH THE CENTER SPAN.
2. REGARDLESS OF THE DIRECTION IN WHICH THEY ARE SAILING, YACHTS MUST PASS TO THE NORTH OF FLASHING RED NO. 8 SE OF WEST FIRE ISLAND, AND TO THE NORTH OF THE NEW LIGHTED BUOY NO. 11 HALF WAY BETWEEN NUN NO. 6 EAST OF THE CAPTREE BRIDGE AND FLASHING GREEN NO. 1 OFF BAYBERRY POINT UNLESS OTHERWISE STATED.

Stay away from the starting area when other classes are starting; you may be disqualified.

PROTESTS

The SBCC Protest Committee operates under Part VI of the Racing Rules of the North American Yacht Racing Union, supplemented by published decisions of the NAYRU Appeals Committee.

It will only entertain protests made in conformity to the rules of Part VI, including:

- Display of Protest Flag
- Notification of Protested Yacht
- Notification of Race Committee
- Submission of Written Protest
- Citation of Rule Allegedly Infringed.

Contrary procedure automatically invites reversal of findings under the appellate procedures, as exemplified by Appeals #3 and #67 on the matter of Display of Protest Flag.

EQUIPMENT

The equipment required by NAYRU for Category 4 races is strongly recommended.

CRUISING INFORMATION

Many cruising activities and rendezvous have been planned for this season with several new ideas and ports added. Please refer to the schedule for dates and details.

Committee boats have been designated for each rendezvous. While it is not the purpose of the committee boat to plan activities or to log attending boats, it is hoped that this boat will serve as a focal point for skippers, especially newer members, to meet and become better acquainted.

Prior to the annual cruise, meetings will be scheduled to prepare skippers and crews on equipment that should be carried and to chart ports to be visited. Usually several groups go off in different directions. Some prefer the inside route through the Shinnecock Canal into the Peconics and Long Island Sound, etc. Another group goes outside and heads for Block Island and points east.

Great River week is a fun time and is popular with both racing and cruising skippers and their families. All are invited, so plan to attend.

CRUISING INFORMATION (continued)

Radio Communication

For safety, convenience and intercommunication within the Club it is desirable that Cruising Club vessels be equipped with radio telephones, especially while on the annual cruise.

Existing radio telephones operating in the 2 to 3 Mhz range are to be phased out by the Federal Communications Commission. The final cut off date for new station licenses operating in this range is January 1, 1972. After this date it will be illegal to replace a low frequency equipment with another low frequency equipment.

Vessels having radio station licenses issued before January 1, 1972 for low frequency operation may continue to operate until January 1, 1977 provided there is no substitution of equipment. License renewals must be obtained as required.

It is advisable to have your station equipment checked out each spring by an authorized licensed service man to avoid low performance. Such a check should be made after the boat is in commission.

Club Communications

Weekends

The weekend rendezvous committee boat, if radio equipped should keep a 2182 Mhz radio watch on Saturdays between 5 and 6 PM at the rendezvous location to furnish and receive information about the rendezvous.

On weekends the following periods are designated for general club communications. At these times vessels in operation should monitor the 2182 Mhz frequency. The periods are as follows:

Fridays
7:30 PM to 7:40 PM

Saturdays
9:10 AM to 9:20 AM
12:10 PM to 12:20 PM
5:10 PM to 5:20 PM

Sundays
12:10 PM to 12:20 PM
4:10 PM to 4:20 PM

During Annual Cruise

Based on past experience it is desirable for all SBCC radio equipped vessels on the cruise to continuously monitor the 2182 Mhz frequency while under way to be of possible assistance to other vessels. In late model sets this results in low current drain. In addition, the following 10-minute watch periods should be observed on this frequency whether or not under way.

7.30 AM to 7.40 AM
1.10 PM to 1.20 PM
6.10 PM to 6.20 PM
8.10 PM to 8.20 PM

REVIEW OF 1972 CRUISING ACTIVITIES

SBCC yachts were active, as usual, in not only bay cruising, but in cruising other areas as well. There were over 60 boats on the annual cruise.

Ed and Marie Macy organized a group that went out Shinnecock Inlet and enjoyed the waters of Block Island Sound, Vineyard Sound and Buzzards Bay.

Jim and Barbara Brown led another group to the Peconics, Fishers Island Sound and Long Island Sound.

Others went off in different directions, and from all reports, everybody had a great time.

The boats receiving annual cruise mementos were the following:

AEQUANIMITAS, ANDROMEDA, ARK, B & B, BARCAROLLE, BOLD VENTURE, BORA, DUCHESS, DULCINEA, EASY JIGS, ENCORE, FANG, FLICKA, FUN, ISDON, JACQUELINE II, JOLIE MADAM, JOLLY JACK, KANDY BAR, LENA, LORNA DOONE, MAIA, MANDALAY, MANATUCK, MARYANNE, MERRI MAC, NEW DAWN, ORCA, OSPREY, PATIENCE, PECOCA, PILGRIM, PISCES, POLLY BEE, PURITAN, RED BARON, RELEASE, RELIANCE, REVERIE, SAGWA, SEA GYPSY, SEA HAWK, SEA JAY, SEA SPRITE, SECOND WIND II, SKYLARK, SOUTHWIND, TALLY HO, TAMB, TEEZIM TOO, T'ING HAO, TRADITION, TRANQUILIZER, UTOPIA, VALHALLA, VI, WAHOO III, WHISPER, WHITE CLOUD, WINDSONG.

Great River Week this year was just great. It was better attended than ever before, and there was not only a large fleet of boats interested in racing, but also many were there for the fun and games. There were a great variety of events planned and they were all enjoyable. Special thanks go to Roger Ramsdell, General Chairman; Bill Dwyer, Regatta Chairman; and Don Zimmer, Entertainment Chairman. Mickey Walsh and Marty Kind also deserve a "Well Done" for their efforts in making many things more enjoyable.

Boats receiving a memento for Great River Week were the following:

PURITAN, SKY LARK, PILGRIM, UTOPIA, DUCHESS, GHOST, ISDON, REVERIE, SEA SPRITE, SAND PIPER, WHISPER, ORCA, WINSOME, PUFFIN, GLASS SLIPPER, STARDUST, BOLD VENTURE, AVALON, EASY JIGS, HEPHZIBAH, SEA HAWK, GISELA R., PHOEBE SNOW, WILLOPEG, BIT BIGGER, FOUR C'S, NEW DAWN, SUMAKA IV, CYGNET, BANSHEE, SOLEIL, STARYKER, MERRY ANNE, FALCON, SINN FEIN, ME TOO, LADY LYNN.

The rendezvous and cook-out at Great River following the East-West Cruise Race was enjoyed by many. Thanks go to Captains Bertapelle and Walsh for all they did to make this such a happy occasion.

Many of the faithful were at the fall Cruise to Atlantique. This was probably the windiest and bounciest weekend of the year, but a good time was had in spite of the elements.

The get-togethers at Unqua Heading and Davis Park concluded the scheduled cruising activities. We have had reports that some of our more hardy skippers continued on into November.

Trophies for the "Green Water Award" go to the following yachts:

VI, PURITAN, STARDUST, RED BARON, ARK, BOLD VENTURE, EASY JIGS, ORCA, HEPHZIBAH, GODSPEED, BARCAROLLE, SEA HAWK, ISDON, DUCHESS, SKYLARK, DULCINEA, CYGNET, WHISPER, LADY LYNN, PECOCA.

The SBCC's "Blue Water Award" this year is given to Capt. Arthur M. Sternberg, M.D. for his cruise to Bermuda, in which he encountered gale force winds for most of the return trip to the U.S. mainland.
