

South Bay
Cruising Club
2000

CRUISE SONG (Tune: Whiffenpoof Song)

*From the sandbars at Moriches
To the Shoals of Tuckernuck
We have pressed our painted
bottoms and our luck.*

*We've assembled at Great River
With our burgees raised on high
and our anchors settled safely
in the muck.*

*Yes we've been to many places
With names we love so well,
Shelter Island, Martha's Vineyard
and Cape Cad.*

*We will sing about our cruise
And drink each other's booze
And we'll dream about the good times
we have had.*

*We're sailing folks who have found our thing
Blow, winds, blow.*

*We like to laugh and we like to sing
Blow, winds, blow.*

*We like the seas when the breeze is right
We like the glow of a harbor light,
Blue skies by day and the stars at night,*

Blow, winds, blow

Blow, winds, blow.

Commodore's Message

If you think of the years throughout history as markers in time, we certainly have rounded a significant mark this year, the year 2000.

As your Commodore I am thrilled and honored to be at the helm during this time. Each and every day this season is a first in a new century and millennium. For that fact alone, this season is special. So, if in the past the rush of work and daily life has kept you from the Bay and enjoying the club, now may be the time to cast aside those restraints, make time to get out there and partake in the activities scheduled.

The Flag Officers, Governors and various Chairpersons have devoted a great deal of time over the winter tailoring a program that holds something for all of us. Our Cruising schedule will be centered around a trip into New York Harbor to witness Op Sail 2000, the National Celebration of the new millennium. Surely an event, actually history in the making, not to be missed. Our Racing format this year has been modified to better suit our needs as a Club. No matter what boat you choose to race, whether you are serious on the course or just out for fun, there is something for all of us in the program. I can think of no better, "Thank-you" , for the Board than to see you all out there having a good time, forging new friendships, renewing old friendships and enjoying the Bay under sail. After all, it is what we're all about. I'll see you out there.

Happy Sailing,

Rich LaTorre

SOUTH BAY CRUISING CLUB

An organization formed in 1951 to promote cruising and racing under sail on the Great South Bay and nearby waters.

Fleet Captain's Message

I look forward to serving the members of South Bay Cruising Club as your Fleet Captain. As our Commodore has expressed, it is an exciting time for the club. The enthusiasm and willingness of our membership to support club activities is truly outstanding. This commitment by our members has made it possible for the SBCC to offer a broad program of activities for all of our enjoyment. I encourage everyone to participate in as many of our activities as possible. Our sailing season is over much too soon!

In recent years we have seen a dramatic decrease in the number of our club boats cruising together off the Bay. A cruise of five or less boats has become normal. I miss the excitement and companionship that we have enjoyed with a larger and more diversified fleet. It was quite a sight to see 30 , 50 and 70 or more SBCC boats under sail heading east for an unforgettable cruise. Many times finding a harbor to accommodate everyone was an equally unforgettable event ! But we always managed to do it and the parties, clam bakes and dinners out provided fun for all.

Our club is smaller now and everyone seems to have more obligations and less available time for cruising, but I can't help but believe there are other reasons for the lack of participation on our cruises. Our boats are larger, faster and much better equipped, providing us with more comfort and safety than ever. So why aren't we enjoying their full capabilities? I solicit your opinions and suggestions.

If you have never cruised off the Bay this is the year to do it. OpSail 2000 will be the focal point for our cruise activity followed by a two and three week cruise up Long Island Sound with both fleets cruising together for the better part of two weeks. Please plan on joining what promises to be the best OpSail and a great cruise. It sure would be great to see 20 , 30 or more club boats heading East again.

I am very pleased to note that the participation in our rendezvous has been excellent and continues to grow. The energy and commitment by our hosts is fantastic and the rendezvous just keep getting better and better! This promises to be another great season. If you haven't come to a rendezvous recently you have missed some great parties! Check the calendar and plan on joining the SBCC fleet.

I look forward to seeing all of you on the water .

Bob VanTassel
Fleet Captain

Regatta Captain's Message

The members of this year's regatta committee represent a cross section of the SBCC with varying interests in all aspects of our club. We are fortunate to have our two past commodores as well as our commodore, vice commodore and fleet captain on the committee.

When the question arose "what can we do this year to regain the status of our weekend racing program?", regatta committee members had an idea. How about a motivational 2000 calendar featuring the kind of events members have been asking for. We have worked to design a program that includes your ideas and offers something for everyone. Some of our races will also include a get-together after the race.

We have organized a Friday night race in June in conjunction with Babylon Yacht Club which includes a gathering after the race at the clubhouse. Boats can berth overnight for the Smith Trophy race the next day.

We have added a three day race week in Great River to coincide with The Blast, and we have included a race in October which will end outside Atlantique on the day of the rendezvous. At the same time, we deleted several races from the schedule that were suffering from a lack of enthusiasm. In order to offer everyone the opportunity to participate in any event they choose, we have expanded the Corinthian division to include all weekend races and twilight races. We have also made most weekend races invitational to members of all yacht clubs on the bay.

All we need now is you. Come out and join us as often as possible. Consider it a contribution to yourself and the club, and make the time. Don't be discouraged by a lack of experience. If you have any questions or need assistance, call me or any member of the regatta committee. Enjoy the season.

John Davis
Regatta Captain

OUR NEW MEMBERS - by Helen Pshedesky

South Bay Cruising Club would like to welcome its newest members. Whether a cruiser or a racer or both, we hope to see all the new members participating and making new friendships. Lets welcome:

LAWRENCE "BUDDY" BRAILE

Buddy is new to the club, but not to sailing. He is part of a sailing family. Look for Buddy in his C&C 25 - "Little Wing" or a possible new boat. This single guy is a racer at heart, but we hope he will come to our rendezvous too.

MATTHEW and JENNIFER DeMARCO

Although Matthew and Jennifer knew about SBCC it took Sally and Bill Eilbeck to entice them to join. This family of four, including Christopher who is three and Madeline only a few months old do a lot of cruising on their Irwin 39 - "Grace".
Look for them at our rendezvous.

KENNETH GEASLIN

Kenneth races his J24, but was only able to participate in one race, Jack's Trophy, since he has joined the club. All the racers will surely want to see Kenneth out there and could use the competition.

DONALD and MARIAN METZNIK

This couple now back from the west coast has belonged to another unnamed club. We are glad they chose SBCC now that they own "Magic Dragon" a Cape Dory 30 cutter. We hope they now have all of their documentation so they will not miss another club event by being stopped by the Coast Guard.

SUSAN MONTANA and ROBERT BENNETT

Look for this "HOT" couple on "HABANERO". They like cruising, racing and partying at rendezvous. Robert has already become involved and is on the Year Book committee. I think we will be seeing a lot of them this season.

COLLEEN NUGENT

Besides the Law, Colleen loves sailing - she must to overcome all the hard work she has done on "Tirnanoge" a 71 Oday that needed and continues to need TLC. She is looking forward to cruising and will probably get to do that on "Hydrotherapy", the Kachel's new boat.

PAUL and CHARLES SAVOCA

Previous member Paul and new member Charles, experienced cruisers, are anxious to participate in our club activities. Already veterans of the Leukemia Cup race, they will probably join us at OP Sail this 4th of July. We look forward to seeing their beautiful Hunter 410 at our events.

Honorary Life Members and Past Commodores

The SBCC grants honorary life membership to all Past Commodores, in recognition of their devotion and duty to the Club. Each of them has contributed time, talent, and friendship to help make the South Bay Cruising Club the success it is today.

The background... Club races and awards

Over the course of our Club history, many special races, trophies, and awards have been developed to meet the needs and interests of the SBCC members. Our current historian, Gene Reardon, has compiled a brief description of some of these.

- Perseverance Trophy** – Donated by Fred Schnur in 1951. A consolation prize for the last boat to finish in the West Island Race. It was discontinued in 1994.
- West Island Race** – A race, established in 1951, in which a boat could sail the published course in the reverse direction. This tested the skippers not only in the normal racing skills, but also in the added factors of predicting the winds, waves, tides and currents in the selection of which way to go around West Island. This race was the brain child of Hervey Smith and was originally called “The Annual Race”. This is normally the best attended race of the season.
- Annual Cruise Award** – This was designed to reward the best planned and executed cruise. Established in 1952, it originally required the submittal of an itinerary in advance. This award transformed itself into the Blue Water award in 1964. In 1967 the Green Water Award was added.
- Ocean Race** – First sailed in 1953, it was sailed from just outside of Fire Island Inlet to either Jones Inlet or to an offshore buoy. Typically, it was about a 25 nm race. It was originally called the Lightship Race and, for a period between 1954 and 1961, it was replaced by the Night Race.
- Foulke Trophy Race** – Established in 1954 in honor of J. Brion Foulke Jr., for the best corrected time in a race from Babylon to Bellport and return, finishing after dark. Beginning in 1959 it was required to keep south of West Island on the eastbound leg. This requirement was dropped in 1961.
- Smith Trophy Race** – This trophy was donated in 1954 by Hervey Smith in memory of his father. It was for a day race sailed in Patchogue Bay that was conducted by the Wet Pants Sailing Association as an invitational. In 1972 the race was moved to start in Bay Shore and run by the SBCC.
- Ladies’ Race** – From its inception in 1955, the helmsman was required to be female. Beginning in 1966, a special award was given to the boat with not only a female skipper, but also an all female crew.
- Commodore’s Cup** – Established in 1956 by Commodore Henry Post. Bestowed upon the boat with the best combined times in the Labor Day Weekend races, Babylon to Bellport, and Smith Trophy at Sayville. Special effort was made to encourage the entire family to be involved. In 1957 it became a single race from Timber Point to Bellport, and in 1973 it became a closed course race, sailed in Nicoll Bay.
- Windjammer Trophy** – Given to the boat that sailed the greatest distance on a club cruise. The skippers computed the distances from their logs and submitted a report to the Cruise Committee. This award had a short life from 1957 to 1959.
- Single-handed Creepstakes** – Started in 1960 for a race in which only the skipper was on board. Beginning around 1980, spinnakers were also permitted. The spinnaker experiment was terminated around 1989 after several close encounters.
- Deale Trophy** – Created in 1963, in memory of William H. Deale, for the best corrected time in the West Island Race.

- Sympatico Cup** – This trophy was donated by Merritt Smith in 1963. It was originally called the Regatta Committee Trophy and is bestowed upon the last boat to finish in the Foulke trophy race.
- Blue Water Award** – To recognize a well-planned and well-executed extended offshore cruise. Begun in 1964 and awarded occasionally, as deemed appropriate by the awards committee. It was the outgrowth of the Annual Cruising Award.
- Character Cup** – Donated by Ev Seidenberg in 1965, for the individuals contributing to “the legend and lore of Great South Bay”. Last awarded in 1968.
- Broadsides Award** – An anonymous donation in 1966 for the best corrected time in the Ladies Race with an all-female crew. It was replaced by the Patricia A. Kelly Trophy in 1982.
- Governors Cup** – Created in 1966 by the SBCC Board of Governors for the best total corrected times in the West Island, Night, and Commodore's Cup races.
- Green Water Award** – This was an outgrowth of the Annual Cruising Award. Begun in 1967 to recognize a cruise of significantly greater distance and duration than the regular Club cruises.
- Cruising Club Crock** – Begun in 1969 and given anonymously. It was for first place in the Character Boat Beauty Contest and Race and was originally called the Character Boat Perpetual Trophy. Competition was by invitation from the Selection Committee. In 1979 this trophy was changed to the best corrected time by a Club boat in the Around Long Island Race.
- Patricia A. Kelly Trophy** – Created in 1982 by the SBCC for the best corrected time in the Ladies Race with an all-female crew.
- Cary Pearsall Trophy** – For the best corrected time in the Great River Cup series. First awarded in 1993.
- Sheila Daytz Trophy** – Begun in 1993 and given to the boat attending the greatest number of Club rendezvous in a season.
- Ken Kondor Trophy** – Created in 1995 to encourage participation in both racing and in rendezvous events. The winner must have attended a minimum of four races and four rendezvous. Additional credit given for placing in races or for hosting rendezvous.

CRUISING and RENDEZVOUS PROGRAM

CRUISES

Early in the spring, the fleet captain and the cruise committee scout among the membership for opinions and work out tentative cruise itineraries. A shorter "close-in" cruise is often suggested, such as the Peconic Bay-Shelter Island area, as well as a more extensive cruise to New England or Chesapeake Bay. A local around-the-bay cruise is usually scheduled.

The fleet captain appoints cruise captains, usually skippers who have had experience in going to the ports outlined, to work out a rough-draft itinerary which is published in the Masthead and then presented to the membership at the March meeting. Debate ensues, adjustments are made based on consensus. All is duly noted by the cruise captains, who prepare a final, more detailed itinerary. Additional meetings are held to review the itinerary and share concerns.

During the cruise, the itinerary may be adjusted to suit weather conditions or the whims of sailors and their families. Sometimes an anchorage is just too delightful to leave. Cruise captains usually try to get the entire fleet together at least once or twice during the cruise.

THE SBCC RENDEZVOUS

All hands are invited, their children, their guests and their pets. You don't have to participate in a club race to join the rendezvous raft-up that usually follows. Notifying anyone in advance is not necessary, nor must you arrive at any particular time. Each rendezvous has a designated "Host" who has been appointed by the Fleet Captain to act as host boat and will be identified by the large club burgee. If you stay overnight, check in to get credit for attendance and to be included in any special entertainment that may be planned.

RAFT-UP PROCEDURE

It has always been a tradition that no invitation is necessary to join a raft-up at any SBCC rendezvous. All you have to do is ask politely "May I come along side?"

Generally speaking, you should expect to put down your own anchor when rafting, so that boats on either side of you can withdraw with a minimum of fuss. When you wish to cross somebody's deck to reach another boat, it's polite to ask permission and to cross via the foredeck, if possible. If you are joining a group aboard another boat, it's customary in the SBCC to bring your own drinks and to contribute to the snacks.

Do any boats remain rafted all night? Sure, but as a rule, only close friends and long time cruisemates. If in doubt, withdraw quietly and go anchor nearby.

AWARDS

The Cruising Awards are given for participation in any of the Club's organized cruises. To qualify, a yacht must anchor or tie-up with the fleet for at least 50% of the time designated for a cruise by the Fleet Captain. The Cruise Captain will submit a list of yachts eligible, based on cruise attendance records.

The Rendezvous Awards are given, at the Fleet Captain's discretion, to boats that attend a minimum number of rendezvous.

The Green Water Awards are given for a cruise of greater distance and duration than the official cruises.

The Blue Water Awards are given only as recognition for an extended cruise off soundings. A select committee, along with the Fleet Captain, will review candidates and make this award only when they deem the cruise to be an outstanding achievement.

The Ken Kondor Trophy is awarded to the boat that does the most cruising and racing. To qualify, a boat must complete at least four races and get credit for four rendezvous. A boat gets one point for completing each race, an additional point for placing in a race, two points for attending a rendezvous and one point for hosting a rendezvous. The trophy is awarded annually at Commissioning Day.

The Sheila Daytz Trophy is awarded to the boat attending the most rendezvous in a season.

B. HURLEY-POULOS

SBCC NOTICE OF RACE AND SAILING INSTRUCTIONS

I. QUALIFYING TO RACE

All properly equipped sailboats owned or chartered by SBCC members in good standing are eligible and encouraged to participate in club races provided they have requested and received a SBCC handicap and otherwise comply with the standards set forth below.

A. INTENT OF PROGRAM

It is the intent of the SBCC that all sailboats racing in club-sponsored events shall contain cruising accommodations with an enclosed cabin. It is recognized that these accommodations will vary according to the type and size of the boat. However, all sailboats are assumed to comply with the manufacturers' standard hull and accommodation plans. It is the responsibility of the owner of any vessel which has been modified or is of unique design to inform the handicap committee of the irregularity prior to racing. Such vessel will then be reviewed by the handicap committee and rated accordingly.

B. EQUIPMENT

As a minimum, all cruising sailboats participating in a SBCC-sanctioned club race must have the following equipment on board and in operable condition:

1. All equipment required for the participating vessel to comply with Federal, State, and local requirements.
2. The following additional items:
 - Bunks, securely installed.
 - Toilet, securely installed or fitted bucket.
 - Galley facilities.
 - At least two gallons of potable water.
 - All spars including spinnaker and whisker poles marked in accordance with the rating form.
 - Headsails of 130% LP or greater shall be measured and marked with the yacht's sail number.
 - An engine or auxiliary motor with enough fuel to return to its home port from any place on the race course.
 - Lifelines as defined by Offshore Racing Council (ORC) special regulations paragraph 6.61 thru 6.62 as published by US Sailing, dated 1994. If the boat is not equipped with lifelines as standard equipment, U.S. Coast Guard approved life jackets must be worn by all members of the crew while racing. After sunset, all life jackets must have strobe lights attached.
 - First-aid kit and manual.
 - A working VHF radio.
3. It is strongly recommended that all sailboats participating in a SBCC-sanctioned race on the Great South Bay comply with US Sailing Category 4 equipment requirements.
4. Ocean Races and Night Races:
 - It is advised that additional safety equipment for these races include US Sailing Category 3 equipment requirements.
 - It is strongly recommended that all sailboats participating in these events should be equipped with the following additional equipment:

SBCC NOTICE OF RACE AND SAILING INSTRUCTIONS (continued)

- a. At least two water resistant flashlights.
- b. Man overboard pole with strobe light.
- One safety harness is required for the skipper and each crew member for the Foulke Trophy Race.

C. INSPECTION POLICY AND PROCEDURES

As a condition precedent to racing in a SBCC sponsored or sanctioned event, all vessels are subject to inspection for compliance with the stated equipment requirements.

The SBCC measurer or designated assistants may conduct random inspections of all SBCC sailboats with current SBCC handicaps. These inspections will be conducted with courtesy and as efficiently as possible with permission of the owners or their representatives.

If, in the opinion of the measurer or designated assistant, the inspected sailboat does not have on board the required equipment or does not comply with the intent of the SBCC racing program, the measurer will file a formal protest with the protest committee. Boats found not to be in compliance by the protest committee will be subject to disqualification.

D. HANDICAPS

The SBCC fleet includes many different types of sailboats. In order to make race participation attractive to as many members as possible, SBCC handicap racing is offered. Under this system every yacht in the fleet, upon request to the Handicap/Measurement Chairman, is given a SBCC rating.

The SBCC handicap system assumes that a sailboat is equipped to race. It does not attempt to rate a partially equipped boat, or a boat which differs from others in its class in that it is unusually heavy, out of balance or has unusual windage (as from a dinghy on davits).

The SBCC Handicap System rates each yacht according to its maximum speed potential, thereby encouraging each skipper to get the best performance from his yacht.

Maximum speed potential is established for each yacht through:

- Statistical analysis of race data for consistently well-sailed boats of similar design.
- Comparison with data from other racing fleets.
- Speed-trending data from past performances.

Under the SBCC handicap system, all yachts of different design will have distinctive maximum speed characteristics from which individual handicaps are derived. Fine tuning factors are applied to yachts of the same design to account for differences in rig, prop type, sail complement, etc.

Each racing skipper is obligated to contact the Handicap/Measurement Chairman in advance of his or her first race under the following conditions:

SBCC NOTICE OF RACE AND SAILING INSTRUCTIONS (continued)

- A particular yacht is to be raced in the SBCC fleet for the first time.
- The skipper has raced another yacht bearing the same sail number during the season.
- The sail complement has been changed.
- The basic design of the yacht is modified in any way which could affect its speed potential.

E. HANDICAP APPEAL

A skipper who believes his yacht's handicap might deserve correction may request a handicap review by submitting a written request to the Handicap Committee stating the reasons he believes a review is in order. The Handicap Committee will respond in writing within 10 days and the new handicap, if any, will take effect as of the date of the written decision. Skippers who are not satisfied with their decision have recourse by appealing directly to US Sailing. The appeal to US Sailing can only be done once in each calendar year. Contact the Handicap Committee or US Sailing for the procedure and current cost.

F. SBCC HANDICAP CLASSES

Three classes, Spinnaker, Non-Spinnaker and Corinthian are scored under the SBCC Handicap System.

Skippers electing to race in the Spinnaker class may use their full sail complement, and any sail combination consistent with US Sailing racing rules or special race instructions mentioned in these instructions or by special handouts.

It is the intent of the Non-Spinnaker class to restrict sail inventory use to only those sails that can be correctly flown on all points of sail. In the Non-Spinnaker class, only one headsail (either a jib or genoa of a minimum of 3-ounce material, or equivalent) may be flown in the foretriangle at any one time. Yachts handicapped as having permanent double head rigs will be permitted to fly their staysail when racing Non-Spinnaker.

The Corinthian class is for members who do not regularly race and feel their boat is not "properly" equipped for racing but has the required equipment to race.

Members may change classes as often as they desire, as long as it is done before the first warning signal.

G. RACING NUMBERS

Racing numbers, either US Sailing or SBCC, are required on mainsails, spinnakers and overlapping (LP greater than 130% of J) headsails, in accordance with current US Sailing rules. Numbers shall be integer values with no leading zeros.

H. MEMBERSHIP RESTRICTION

No boat shall race in a SBCC-sponsored event (except invitationals) unless commanded by a SBCC member or associate member.

SBCC NOTICE OF RACE AND SAILING INSTRUCTIONS (continued)

II. RACING RULES

Racing rules of the US Sailing Association shall be observed except as otherwise specified in these instructions. Burgees and other flags may be flown when racing. Government navigation buoys not stated as being marks of the course may be disregarded at the discretion of the skipper.

III. RACE PROGRAM

A. RACE SCHEDULE

SBCC sponsors numerous races and participates in various invitationals as set forth in the race schedule. See schedule for details and special notes.

B. COURSES

Courses used for SBCC races and some invitationals are set forth on the pages following these instructions. They are grouped by starting area as follows:

“Babylon” “Bay Shore” “Nicoll Bay” “Watch Hill” “Ocean”

For each of these areas, a variety of courses is described below, each bearing a distinguishing letter. The course selected will be signaled from the committee boat by the appropriate letter code flag.

Courses can be reversed by code flag “R”, shortened by code flag “S”, or the finish changed by flag “V” as subsequently described in Section VI. B.

Note: The Race Committee may designate different courses for each class for races other than the Commodore’s, West Island, Foulke and Smith Races, as set forth in section X, course instruction.

C. SERIES RACES

Bay Shore & Babylon Twilight Series - These races are four-race series. They will be scored on the basis of a yacht's best three races (except committee boat as noted in Section IV.E.). If a race is canceled and not resailed there will be no throwout for that series. The Bay Shore and Babylon Twilights will have all corinthian starts.

Great South Bay Yacht Racing Association Race Week - This is a four-race series with one throwout. All yachts must register at the host club and pay a registration fee.

SBCC Class Championship Series - This is an overall season series based on the scoring of selected races. See Section IV. B.

D. SPECIAL RACES

BYC/SBCC Challenge - Babylon Yacht Club has challenged the SBCC. Each club will participate with an equal number of boats. This is a VOLUNTEERS ONLY race. Please register your desire to race early with the regatta chairman.

Babylon Yacht Club July Invitational Series - This is a two-race series with no throwout. The courses, starting sequence, and other race instructions will be provided by the Babylon Yacht Club and handed out by the committee boat on station prior to the first race. You must register with the yacht club to race the Babylon Yacht Club invitational series.

SBCC NOTICE OF RACE AND SAILING INSTRUCTIONS (continued)

Single-Handed Creepstakes - Only the skipper is allowed on boat during race. Two classes: 27 feet LOA and over; and under 27 feet LOA. Non-Spinnaker only.

Turkey Race - This is a post-season race, with an after-race gathering at a place determined by the race committee.

Sayville Yacht Club (Jack's Trophy) - This is a two-race series sailed over two days. It will be scored by the SYC as the combination of the corrected times of the yachts participating in both races. A party is scheduled that Saturday night for all participants who pre-register. See SYC race committee for a handout and details and register with the SYC.

Watch Hill Family Race - A Non-Spinnaker race leaving from Watch Hill Sunday morning. Crews must sleep aboard their yacht Saturday night at Watch Hill. Start time to be announced by committee boat at dock.

West Island Race - Nicoll Bay course H may be sailed in either direction.

SBCC/BYC Babylon Cup - A Friday evening event run jointly by the SBCC and the BYC. A get-together will be held at the BYC Clubhouse. Details will be published in the Masthead prior to the event

Atlantique Race - A regatta starting off Bay Shore and ending in the vicinity of the Atlantique dock in time for the rendezvous inside of the marina. Details will be published in the Masthead prior to the event.

IV. RACE SCORING AND TROPHIES

A. SCORING METHOD

SBCC races will be scored using the time-on-distance method. A yacht's time allowance is calculated by multiplying her SBCC handicap by the race course distance. The time allowance is then subtracted from the yacht's elapsed time yielding corrected time. The yacht with the lowest corrected time is the winner. In determining the winner of the perpetual trophies (Section IV. G), the race scorer will apply an 18 second per mile adjustment between the winner of the spinnaker class and non-spinnaker class if it is determined that the spinnaker class carried the spinnaker to advantage for at least one third of the race.

Preliminary race results are available to each participating skipper shortly after each race by e-mail or regular mail. The official results are printed periodically in the "Masthead."

SBCC NOTICE OF RACE AND SAILING INSTRUCTIONS (continued)

B. CHAMPIONSHIP SERIES SCORING

CORINTHIAN, NON-SPINNAKER AND SPINNAKER CLASS CHAMPIONSHIP SCORING

A class champion will be determined, and trophies will be awarded annually, to the yacht with the most points in each class. The boats in each class with the highest cumulative point totals at the end of each season will receive a trophy. Scoring will be based on the best 6 out of 8 races designated with note 4 in the race schedule. To qualify, a boat must participate in at least 4 of the races designated with note 4 in the race schedule. Points for these races are computed on the following basis:

- 1st place yacht receives points equal to the number of starters in the race plus 1/4 point.
- 2nd place yacht receives 1-1/4 points less than the 1st place yacht.
- 3rd place yacht receives 2-1/4 points less than the 1st place yacht, etc.

TWILIGHT SEASON CHAMPIONSHIP SCORING

Twilight races will be scored based on corrected time performance and participation. If fewer than four boats compete, the first place boat is awarded 3 points, the second place boat is awarded 2 points, and the third place boat (if any) is awarded 1 point. If more than three boats start then the following schedule will apply:

1 st place - 5 points	3 rd place - 3 points
2 nd place - 4 points	4 th place - 2 points

All finishers after 4th place receive 1 point for participation. The boats with the highest cumulative point totals, at the end of each season, will receive trophies as indicated in Section IV. F, and scoring will be based on the best 15 out of 20 races, with a minimum of 10 races to qualify.

C. TWILIGHT/RACE WEEK

Points for each race will be awarded on the basis of 3/4-point for first, two points for second, three points for third, etc. DNF and WDR boats will receive one point more than the number of boats in that class that started in the series. DNS and DSQ boats will receive two points more than the number of boats in that class that started in the series.

A starter in any one race of the series will be considered to have started in all the races of the series. Series position will be determined by the total points accumulated by each yacht, in inverse order.

D. SERIES TIE BREAKER

When there is a tie on points between two or more yachts, the tie shall be broken in favor of the yacht or yachts with the most first places, and when the tie remains, the most second places and so on, if necessary for all races in the series. If a tie still remains, it will be broken in favor of the boat which beat the other the last time they raced against each other, throw outs included.

SBCC NOTICE OF RACE AND SAILING INSTRUCTIONS (continued)

E. SERIES SCORING FOR COMMITTEE BOATS

A yacht that serves as committee boat for one race of any series will receive credit towards series qualification for that race and points equal to the average of its finish positions in the other races of the series. All of the other races in the series will be included in determining the average, even those in which the yacht did not start, did not finish, and/or was disqualified. A yacht serving as a committee boat in a twilight race will receive two points for that race towards the twilight series championship.

F. RACE TROPHIES

Trophies for individual SBCC races (when not part of a series) will be awarded to each class, according to the following schedule:

Number of Starters	Trophies for
2 or 3	1st
4 through 6	1st and 2nd
7 through 14	1st, 2nd and 3rd
15 or more	1st, 2nd, 3rd and 4th

In SBCC series, the greatest number of starters in any race will govern the number of trophies awarded for that series.

G. PERPETUAL TROPHIES

Perpetual trophies are awarded for one year only. They are awarded to the yacht with the best corrected time based on the SBCC handicap rule.

The club will award six perpetual trophies, as follows:

Commodore's Cup - Best corrected time in the Commodore's Cup race.

Cruising Club Crock - Best corrected time in the Around Long Island Regatta scored with SBCC Handicaps.

Deale Trophy - Best corrected time in the West Island race.

Foulke Trophy - Best corrected time in the Foulke Trophy race (night race).

Governor's Cup - Best total score for the Commodore's Cup, West Island and Foulke Trophy races. High Point Scoring System.

Smith Trophy - Best corrected time in the Smith Trophy race.

Keeper cups are given to winners of these trophies and their names are engraved on the perpetual trophy. It is the responsibility of the winner of the perpetual trophy to return it by October 1st to the Trophy Chairman for engraving of the following year's winner.

SBCC NOTICE OF RACE AND SAILING INSTRUCTIONS (continued)

V. COMMITTEE BOAT ASSIGNMENTS

A. SERVING AS COMMITTEE

The SBCC depends upon the cooperation of all members. Being the Committee Boat for a race is an important responsibility. It is a job not to be taken lightly for it is the heart of a successful racing program. Reliable, timely and accurate performance is essential.

Race Chairmen are assigned by the Regatta Committee, and listed in the Race Schedule. **These assignments are obligatory.**

B. CHANGES

A race chairman may switch assignments with another Race Chairman provided that the Regatta Chairman is notified at least 24 hours before the race. Arranging such changes is the sole responsibility of the assigned skipper and does not relieve him or her of responsibility.

C. PENALTIES

Any race chairman who willfully fails to do his or her assignment shall not be scored in any SBCC race for a period of one year from the date of his or her scheduled committee boat assignment. As an alternative penalty, a Race Chairman who failed to do his or her race assignment for the first time in the racing season will be scored in SBCC races after payment of a \$100.00 fine which shall go to the SBCC General Fund.

SBCC NOTICE OF RACE AND SAILING INSTRUCTIONS (continued)

VI. STARTING LINE PROCEDURES AND RULES

A. CLASS STREAMERS

Racing yachts are required to fly streamers from their standing backstays. Streamers should measure 4"x18".

Creepstakes		All Other Races	
Class	Color	Class	Color
27 ft. LOA and over.	Blue	Spinnaker	Blue
Under 27 ft. LOA	Yellow	No-Spin	Yellow
		Corinthian	White

Failure to display the appropriate streamer may be considered grounds for disqualification.

B. CODE SIGNALS

Code flags A through I are used to designate courses (see course instructions). Code flags below apply to all SBCC conducted races:

- L** - Come within hailing distance for instructions.
- M** - ROUND or pass the object displaying this signal instead of the mark it replaces.
- N** - ABANDONMENT, race called off (accompanied by three guns).
- R** - Sail the designated course in the REVERSE direction. Leave all marks to the opposite hand.
- S** - Sail the SHORT course prescribed in the course instructions. When flown after the start (accompanied by two guns), finish between the committee boat and the nearby mark of the course.
- T** - Sail the designated course TWICE around. The "X" mark is a mark of the course the second time around. Unless otherwise specified, in Section X, leave the "X" mark on the same side as the next mark to be rounded.
- V** - Finish at the Babylon Y.C. dock.
- Y** - Entire crew must wear personal buoyancy devices.
- Z** - Different courses are designated for the classes.
- Answering Pennant** - POSTPONEMENT signal (accompanied by two guns). Starts postponed fifteen minutes. Warning signal will be made 1 minute after Answering Pennant is lowered.
- First Repeater** (First Substitute) - GENERAL RECALL signal.

C. STARTING

Signals will be made at five minute intervals with each signal lowered one minute before the hoisting of the next. The visual signal governs; the gun merely calls attention to it. A red signal may be visible until one minute before the warning signal.

SBCC NOTICE OF RACE AND SAILING INSTRUCTIONS (continued)

D. STARTING SEQUENCE

Abbreviations:

Prep = Preparatory Signal

NoSpin = Non-Spinnaker Class Spin - Spinnaker Class

27(+) = Yachts with a LOA of 27 feet and over.

27(-) = Yachts with a LOA of less than 27 feet.

Cor. = Corinthian Class

NoSp.+ = NoSpin + Corinthian start

TIME	SHAPE	REGULAR START	NoSpin START	CREEP- STAKES START
:00	Yellow	Warning	Warning	Warning
:05	Blue	Prep	Prep	Prep
:10	Red	Start/Spin	Start/NoSpin	Start/27(+)
:15	Yellow	Prep		Prep
:20	Blue	Start/NoSpin		Start/27(-)

TIME	SHAPE	CORINTHIAN START	NoSpin START
:00	Yellow	Warning	Warning
:05	Blue	Prep	Prep
:10	Red	Start/Spin	Start/NoSpin
:15	Yellow	Prep	Prep
:20	Blue	Start/NoSpin	Start/Cor
:25	Red	Prep	
:30	Yellow	Start/Cor	

NOTE: If different courses are to be sailed by the classes, the Race Committee will fly code flag Z and will signal the applicable course for each class by raising the appropriate course flag at least 8 minutes before the start of that class and continuously flying it until after the starting signal for that class has been hoisted.

At the starting signal the race committee may announce "all clear" if no boats are on the course side of the starting line.

E. STARTING LINE ETIQUETTE

Racing skippers are reminded to stay clear of the starting line until the Preparatory Signal for their class. **Classes not starting are to remain clear of all yachts in the division before them.** Failure to do so may result in disqualification.

The Preparatory Signal for each class is given five minutes prior to the Starting Signal. Yachts starting with the wrong class may be disqualified.

A skipper electing to change his or her class must notify the race committee of that change before the warning signal.

SBCC NOTICE OF RACE AND SAILING INSTRUCTIONS (continued)

F. RECALLS

The Race Committee is required to sound one blast of a horn or whistle, display code flag X, and announce the sail number of each yacht on the course side at the start. **In addition, committee boats are also encouraged to use VHF channel 72 to announce recalls.** Nearby yachts are required to pass the hail. The onus of making a fair start lies on each yacht, and failure to hear or heed a recall will not prevent the yacht on the course side at the start from being penalized. Responsibility for determining compliance with the rules rests with the Race Committee. Yachts making an improper start will be penalized by having one-half hour added to their elapsed time, whether or not they have been notified.

General Recall: If there should be a number of unidentified boats on the course side at the start, or if an error is made in the starting procedure such as significant inaccuracy in the interval between signals, the Race Committee will make the General Recall signal. The General Recall signal is the First Repeater code flag accompanied by two guns. The starting sequence for the class that has been recalled begins with the Preparatory signal which shall be signaled one minute after the first repeater is dropped. The recalled class will be the next class to start.

G. ANTI-BARGING MARK

The committee boat may use an "anti-barging mark". If this mark is used, racers shall not pass through the line formed by the anti-barging mark and the committee boat at any time—even while "starting". The penalty for infringing on this restricted line, while racing, is disqualification. Should this mark be touched without infringing on the restricted line, the yacht may exonerate herself by doing a 360 degree turn as per US Sailing Rule 31.2. If another yacht causes a yacht to touch the anti-barging mark, then US Sailing Rule 31.3 will apply. **The anti-barging mark does not change the starting line. The starting line is determined by the "X" mark (or buoy) and the white flag on the committee boat.**

H. VHF COMMUNICATIONS

VHF radio communications will be maintained during a race utilizing channel 72 for communication. Radio communications may be utilized to relay information on unusual situations during races such as postponements, recalls, withdrawals, etc. However, Race Committees may not always use VHF radio so it should not be relied on as the sole means of information. Racers should not communicate with the Race Committee from the time of the warning gun to the time of the last class start.

VII. TIME LIMIT

Regardless of time of start, the time limit for a boat in the first class to finish will expire at 1800 except as stated in the notes to the Racing Schedule. Time limit for all classes starting after the first class will be extended so as to allow all classes to have the same amount of racing time. If any yacht finishes within the time limit for her class, it is a race for her class. Yachts finishing after the committee boat has left its station should take their time and report it to the Race Committee as soon as possible.

VIII. PROTESTS

The SBCC Protest Committee operates under *The Racing Rules of Sailing*, (1997-2000), supplemented by published decisions of the US Sailing Appeals Committee. In addition, it shall hear all protests arising from violation of the Inland Rules which replace Part 2 of the US Sailing rules between sunset and sunrise.

The Protest Committee will only entertain protests made in conformity to the US Sailing rules, including:

- Display of protest flag
- Notification of protested yacht
- Notification of Race Committee
- Submission of written protest within 72 hours
- Citation of rule or rules allegedly infringed.

Protest must be addressed to the Chairman of the Protest Committee and hand delivered or postmarked within 72 hours of the conclusion of the race in question.

IX. SAFETY

The safety of a vessel and her crew is the sole and inescapable responsibility of the skipper, who must do his or her best to ensure that the yacht is fully found, thoroughly seaworthy, and manned by an experienced and physically-fit crew. He/she must be satisfied as to the soundness of hull, spars, rigging, sails and all gear. The skipper must ensure that all safety equipment is properly maintained and stowed, and that the crew members know where it is kept and how it is to be used. He/she must have all safety equipment required by the U.S. Coast Guard and should have the racing equipment suggested by US Sailing. The South Bay Cruising Club disclaims any liability for the seaworthy condition or operation of a yacht, the safety of its crew, or the absence of suitable safety equipment aboard a yacht, for which the owner has sole responsibility.

It is the exclusive responsibility of each skipper to decide whether or not to start, continue, or drop out of any event. The South Bay Cruising Club does not assume any liability for the decision of any participant. Because of the increased costs of all vessels and the tendency to litigate all accidents, whether liability exists or not, the Board of Governors of the South Bay Cruising Club recommends that all owners and skippers carry liability as well as hull insurance to protect all parties from the financial consequences of an accident.

For answers to questions regarding minimum U.S. Coast Guard equipment requirements, please call the following:

Coast Guard Safety Hotline

SBCC NOTICE OF RACE AND SAILING INSTRUCTIONS (continued)

X. RACE COURSES

COURSE INSTRUCTIONS

1. When the Robert Moses Causeway is in the course, the center span must be used.
2. When the designated course is signaled to be sailed twice around, the "X" mark is a mark of the course the second time around. It is to be left on the same side as the next mark of the course unless otherwise specified.
3. For all Yacht Club Invitationals, see special Sailing Instruction for the event.
4. Courses with an asterisk should not be sailed twice around.
5. For regattas other than the Commodores, West Island, Foulke and Smith races, the race committee may designate different courses to be sailed by each class. In such event the race committee will fly code flag Z and will be required to hoist the designated course flag for each class at least 8 minutes before the start of that class and continuously fly it until after the starting signal for that class has been hoisted. It is recommended that the race committee also fly code flag L in order to verbally relay the designated course for each class.

BABYLON COURSES

Start and Finish established by the Race Committee (RC) either at Willets Creek, Keith Canal, or (in the case of courses G and H) at G "9". The first course distance (below) is for a start at Willets Creek and the second is for a start at Keith Canal. For courses G and H, the two distances are to reflect the two different locations for the "X" mark. If the Finish is signaled to be at the Babylon Yacht Club dock (FBYC), the RC must signal code flag "V" and determine the added course distance.

MARKS

OCEAN COURSES

Start and finish between the committee boat and red and white whistle MO(A) FI off Fire Island Inlet.

Special Ocean Course Instructions:

- One hour before Warning Gun, the Race Committee at Sore Thumb will either indicate an ocean course, bay course, postponement, or an abandonment. If a bay course is indicated, the start will be off the Brightwaters canal, using the Bay Shore Courses.
- If the committee boat is unable to remain on station at the finish line, then boats shall leave the finish mark (Red and White Whistle MO(A) FI) to port and record their own finish times. The finish will be an imaginary line perpendicular to the direction of the last mark.

Two Week Cruise - July 3rd to 18th, 1999 - From the Log of Quest

Quest, Balance, Catharsis, Jam V, and H.S. Kathleen L departed Fire Island inlet at 0600. On July 3rd having rendezvoused the prior evening at Sore Thumb. As usual the wind was light from the SW with swells which made for some upset stomachs and a long day of motor sailing arriving at Block Island at 1900. We had expected a full harbor at Block, but had not seen the harbor as crowded as it was in years. After several unsuccessful attempts at finding an anchorage, a boat from R.I. offered a raft up for Quest that was very welcome and we settled in for a light dinner and the Fireworks. The rest of the SBCC boats were also successful in locating adequate anchorage. Sunday was a lay day and we rafted with Balance and Catharsis for cocktails.

Monday brought a beautiful sailing day with a strong westerly and we decided to take advantage of the breeze and favorable current and set sail for Edgartown with Balance and Catharsis heading to Newport and Jam V remaining at Block. A great wing and wing sail with winds up to 25 knots saw us arriving at Edgartown by 1600. As we approached Martha's Vineyard we were greeted by a strong, hot breeze bearing the pine smell of the Island as it baked in a record heat wave. After the difficulty of anchoring at Block we were pleased to find the harbor almost empty with a pick of moorings. We selected a mooring near Katama Bay where we could enjoy the sea breeze. We found Edgartown to be so enjoyable that we stayed two additional days sight-seeing, clamming at Katama Bay, enjoying the sights of the harbor and relaxing on board.

Thursday saw us off early to Nantucket, arriving by noon after an easy sail with some motoring. picked up a mooring from Nantucket Moorings operated by Dennis Metcalf, a former Babylon resident. Dennis tells me that two other Babylonians followed him to Nantucket and now operate the Chandlery and charter boats. We were anxious to see town and have a nice lunch ashore at one of our favorite spots, so we quickly secured Quest and hailed the launch. Nantucket was hot and very crowded and after a quick tour around town we were glad to get back to Quest. We decided that the timing of our visit was not good and called Dennis to cancel our reservation for the following day. We needed some peace and quiet and headed the next day for Parker's Boat Yard at Red Brook Harbor on the N/E coast of Buzzards Bay. Parker's is an old fashioned sailboat yard (he advertises that power boats are not welcome) with excellent facilities. A good sail through Woods Hole and up the Bay with an arrival at 1600.

Friday brought a strong southwesterly with the infamous Buzzards Bay chop which provided a quick sail across the bay to Marion Harbor to visit with some friends. The Beverly Yacht Club provide a guest mooring and we enjoyed the afternoon ashore and sight-seeing around the harbor by dink, admiring the large sailing fleet in the harbor, followed by a great dinner ashore.

It was time to start heading west, so we departed the next day at 0700 for Newport on a great northwesterly breeze (where we hoped to meet some other SBCC boats). The morning sail died with the northerly and we arrived under power at 1330. The Newport Yacht Club found us a slip next to Kathy and Jack Saxe in their new Grand Banks and Carole and Bob Sheppard arrived on Monday with their new Bristol, Arcadia. The next day saw a record breaking cold front with rain so we stayed at the dock and enjoyed the facilities of the Yacht Club, toured Newport and re-provisioned. Dessert on Arcadia that evening.

Wednesday saw a quick sail to Block Island accompanied by Arcadia, with cocktails and dinner ashore that evening with Arcadia and another cruising couple from Bradford, CT. We originally planned to go to Montauk the next day, but decided after leaving to continue to Shinnecock with Arcadia since the weather was favorable with deteriorating conditions forecast the next day. We spoke with Balance in Montauk, but they elected to stay at Montauk and join us the next day. We anchored at Shinnecock at 1830 after a light air day of motor sailing. Friday was out the Inlet at 0630 for Fire Island or hopefully Moriches Inlet if conditions were favorable since it is a great time saver. Moriches Inlet conditions were good and we joined the SBCC rendezvous at Great River arriving at 1430. Throughout the day we remained in touch with Balance who came in Shinnecock Inlet from Montauk and proceeded through the bays to join us. Unfortunately due to Miscommunication as to where we were they passed us by and continued home to Babylon. A long day for them.

Saturday saw 9 boats on the raft in Great River. A great way to end the cruise!

SBCC Three Cruise July 1999

THREE-WEEK CRUISE - From the log of *Vixen* (Frank & Barbara Peter)

Day one was 30 June, Counterpoint, Brown Eyes and Vixen reached Robert Moses Park by noon. Lady Barbara and Dragon arrived later with Gin Ne Sais Quoi steaming in at 9:00 PM, we had to light the entrance with flashlights. (No dock lights here). The following morning found the fleet under way at 5:00 AM with seas at 4-8 ft and wind SW at 10-20 M.P.H., Lady Barbara's cabin is not visible as she went into the trough! At 12:30 PM the fleet was at anchor just off the commercial dock. This proved to be exciting and a lesson in anchoring. We watched as Counterpoint swung in 360 degrees around his anchor thinking that the captain might be checking his GPS or ? Just then Vixen and Brown Eyes started swinging. We knew that the two boats were on a collision course ... We then rafted Brown Eyes to Vixen. All was quiet for a short time until the anchor lines tangled! All this time Dragon was under control because the captain had two anchors down.

With wind at 30 M.P.H. and seas up to 10 ft the fleet stayed in Shinnecock Friday. Saturday at 0615 AM we (except for Counterpoint who returned because of engine problems) sailed/steamed to Point Judith arriving at 4:30 PM.

The next day thunder and lightning and heavy rain greeted the fleet on its way to Bristol. Counterpoint rejoined the fleet at 6:45 PM after being underway for 12 hours. Here the fleet was on a mooring or at a slip to enjoy the Fourth of July festivities.

Steaming north to Wickford to the West Passage was quiet. Here we met Fox. Departure on Wednesday was exciting because the ebb current plus boat speed over ground was 9.2 knots! Sailing north in Vineyard Sound Dragon was the first to hoist his spinnaker, which was followed by the rest of the fleet, except for Vixen. The captain managed to raise his but it was tangled and the first mate said "TAKE IT DOWN NOW!" Vineyard Haven, Oak Bluffs, Hyannis, Cuttyhunk all are interesting places.... We made radio contact with Quest, Jam V and Catharsis who were in the area. A transit from Vineyard Sound through Woods Hole to Buzzards Bay proved to be a challenge. Why because the boat speed over ground was 11 knots!

Block Island, our last stop, found the fleet on moorings. Here Catharsis joined the fleet after weeks of cruising. From Cormorant Point, led by Catharsis, we returned home along the inland route. Vixen hit bottom only once....

IN MEMORIAM

This Yearbook is dedicated to the celebration of the life of

Roger G. Ramsdell Jr.

Our past commodore, resident artist and friend

you will be missed but not forgotten,

Happy Sailing.

FLAGS AND SHAPES

Flag Etiquette

The correct display of flags, signals, and ensigns is one of the more obvious marks of a yachtsman. This code is steeped in the tradition of the sea and promotes uniformity in communication and identification between yachts. The following flag etiquette covers the signals that are used daily on small or medium sized sailing yachts.

The Ensign

The ensign is displayed between morning and evening colors (0800 and sunset).

1. At anchor or under power: at the stern staff.
2. Under sail: at the stern staff if not racing and if the boom does not overhang, or at the after-peak of a gaff-rigged sail; or 2/3 of the way up the leach of a after-most genoa-rigged sail.

The Burgee

The club burgee is displayed whenever the ensign is displaced, but may also be displayed separately, between morning and evening colors, or by day and night, while at anchor or under way on:

1. The masthead of single-masted yachts.
2. The forward masthead of two-masted yachts.
3. The burgee should be replaced with a suitable wind indicator while racing.

The Private Signal

The owner's private signal may be displayed by day and night on:

1. The masthead of single-masted yachts in place of the burgee.
2. At the after masthead of two-masted yachts, at anchor or underway.

Flag Officers' Flags

A flag officer shall display his flag both day and night in place of his private signal.

Race Committee Flag

The race committee flag shall be displayed at the main truck, in place of the flag otherwise there displayed only while acting as the committee boat.

Signal Flags

The starboard main spreader is to be used only for signal flags and specific flags such as the owner absent flag and guest flag.

Dressing Ship

When dressing ship on Commissioning Day, Independence Day, and on other special

occasions, the following order of international code flags is recommended (starting from forward): AB2, UJ1, KE3, GH6, IV5, FL4, DM7, PO 3rd repeater, RN 1st repeater, STzero, CX9, WO8, ZY 2nd repeater. Ensigns, burgee, private signals etc. should not be included.

Required Shape Displays (daylight)

1. When anchored in an area other than a designated anchorage, sailing vessels must display a single, black, spherical shape. For lesser craft (those under 20 meters) the size of the shape should be "commensurate with their length."
2. When under sail and power (motorsailing), vessels are required to fly a black cone with the apex down.

Our Year 2000 Yearbook is the product of the efforts of many individuals. Pictured below are (most of) the members of the Yearbook Committee, without whose hard work we would not possess this fine publication. Special thanks are due those Committee members who have taken on tasks and given their time to other committees and other aspects of Club participation.

Credit is also due Our Commodore, Rich LaTorre, Fleet Captain Bob Van Tassel, and Regatta Captain John Davis for their inspiring and exciting Year 2000 messages herein.

Thanks also to the following Club members for updating and supplying the reference materials we all find so useful and necessary during the course of the season: Sally Eilbeck (social and cruising schedule); John Davis (race schedule); Frank Peters and Bob Van tassel (Cruising Year in Review); Dennis Connor (Cruising Awards); Dennis Connor (Rendezvous Awards); Cindy Kirsch (Race Trophies), and Aileen Eppig (Members, Fleet and Yachts).

Thanks also to Michael Kohl for the use of his office and for his time and expertise in the scanning of many of the photos included herein.

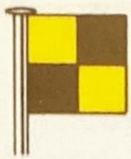

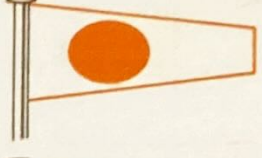

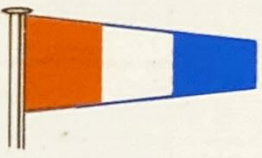

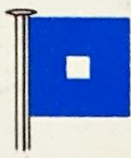

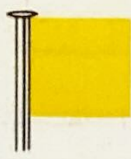

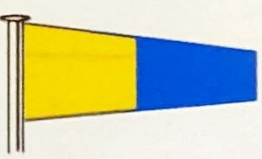

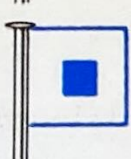

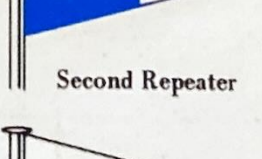

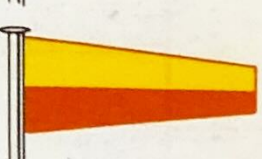

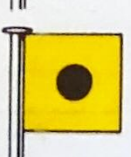

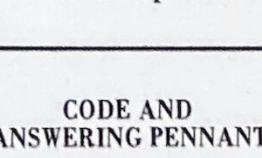

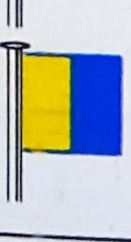

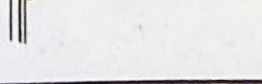

Thanks to all those, too numerous to name, who have provided photos commemorating a great season past; more than anything else, these represent the true personality of our Club. We wish we could publish them all.

Finally, thanks to Bill Grauer for providing inspiration, precedent and work product, all of which have made my task so much easier.
